1. THE BASIC LAW 基本法

Almost immediately after the Joint Declaration had been ratified 正式批准；认可, the Chinese side began **to work on** drafting 起草；草拟 the Basic Law.

While it was supposed 预期，推断；假定；认为 **to codify (v.)把…编成法典；编纂 the guarantees** 保证；保障 后定说明 made by China in the Joint Declaration, the Basic Law was also a chance to ensure that /any political changes in Hong Kong before 1997 would comply with 遵守；服从 *what China had in mind for Hong Kong after 1997*.

虽然《基本法》应该将中国在《联合声明》中作出的保证写入法律，但它也是一个机会，以确保1997年之前香港的任何政治变化都符合中国对1997年之后香港的设想。

But the drafting of the Basic Law also showed the inherent 内在的；固有的 weaknesses in the Joint Declaration —many of them areas 后定说明 that had been left vague (a.)模糊的；不明确的 because the Sino-British negotiators 谈判者；协商者 had been unable to agree.

These vague areas *for the most part* 在很大程度上；多半 enabled (v.) Britain and China to interpret 解释；诠释 *the terms 条款；术语 of the declaration* 声明，表白 in their own ways.

As political scientist James Tang **argues**, the Joint Declaration did not settle (v.) the Sino-British differences 分歧；差异; rather, it became “the source of these differences.”

Example 1. 案例

Almost immediately after the Joint Declaration had been ratified, the Chinese side began to work on drafting the Basic Law.
While it was supposed to codify the guarantees made by China in the Joint Declaration, the Basic Law was also a chance to ensure that any political changes in Hong Kong before 1997 would comply with what China had in mind for Hong Kong after 1997.
But the drafting of the Basic Law also showed the inherent weaknesses in the Joint Declaration—many of them areas that had been left vague because the Sino-British negotiators had been unable to agree.
These vague areas for the most part enabled Britain and China to interpret the terms of the declaration in their own ways.
As political scientist James Tang argues, the Joint Declaration did not settle the Sino-British differences; rather, it became “the source of these differences.”

《中英联合声明》批准后不久，中方便开始着手起草《基本法》。《基本法》旨在将中国在《中英联合声明》中作出的各项保证正式写入法律，同时也旨在确保 1997 年以前香港的任何政治变革都

符合中国对 1997 年以后香港的规划。然而，《基本法》的起草过程也暴露了《中英联合声明》本身存在的缺陷——其中许多领域由于中英谈判代表未能达成一致而显得含糊不清。这些模糊之处在很大程度上使得英国和中国可以各自解读声明的条款。正如政治学家詹姆斯·唐所言，《中英联合声明》非但没有解决中英之间的分歧，反而成为了“分歧的根源”。 24

The main bone of contention 争论的焦点；争议的核心 was the pace 速度；节奏 and scope 范围；规模 of *institutional 制度的；机构的 change* in Hong Kong before 1997.

The Joint Declaration specified (v.)明确规定；具体说明 that the “current” institutions of Hong Kong were **to remain (v.) unchanged** for fifty years, but it gave no definition of “current.”

The Chinese government argued that Hong Kong should return to China as it stood in 1984, when the joint agreement was signed, but the British and Hong Kong governments insisted that Hong Kong could not be frozen (v.) in time 在时间维度上 for thirteen years.

The Chinese government **viewed** any efforts to introduce (v.) political, institutional, or legislative 立法的；法律的 changes **as** attempts to maintain a British presence after 1997.

Britain and China had agreed that /by 1997 the Legislative Council would **be “constituted** 组成；构成 by elections,” but Britain and China interpreted (v.) this differently.

The Chinese government firmly opposed 反对；抵制 any suggestions of *universal suffrage* (选举权；投票权)普选；全民投票, especially since the British **had waited so long** in their rule 在其统治期间 even to consider this.

中国政府坚决反对任何有关普选的提议，尤其是因为英国在其统治期间拖延了如此之久，甚至才开始考虑这一问题。

Example 2. 案例
suffrage

→ 来自拉丁语 suffragium,投票，投票权，支持，来自 suffragari,投票，给予支持，来自 sub,在下，向上，-frag,碎开，碎片，词源同 break,fragment.来自古希腊古罗马时期用碎瓦片碎骨片 投票的习俗。比较 ostracism,用碎骨片投票驱逐。

In 1985 Xu Jiatun declared that “consultation 咨询；磋商” constituted (v.)构成；算是 a form of election.

1985年，许家屯宣称“协商”构成了一种选举形式。

Although the British had insisted that /the Joint Declaration should specify (v.)明确指出；具体说明 that Hong Kong’s legislature 立法机构；立法机关 would **be “constituted** by election,” the Chinese later claimed that they were unaware 不知道的；未察觉的 of the ramifications 后果；影响 of the British definition of the term “election.”

尽管英方坚持《联合声明》应明确规定香港的立法机关须“以选举方式组成”，但中方后来声称，并不清楚英方对“选举”一词定义所产生的影响。

Example 3. 案例

ramification

→ 来自 ramify,分支，分叉。引申词义后果，特指难以预料的结果。
来自拉丁语 ramus,树枝，小枝，词源同 root.-fy,使。

英 / ˌræmɪfɪˈkeɪʃn /　美 / ˌræmɪfɪˈkeɪʃn /　全球发音

ram·ifi·ca·tion *n.* / ˌræmɪfɪˈkeɪʃn /

[usually pl.]one of the large number of complicated and unexpected results that follow an action or a decision（众多复杂而又难以预料的）结果，后果

SYN complication

• These changes are bound to have widespread social ramifications.这些变化注定会造成许多难以预料的社会后果。

However, the British had proposed 提议；提出 modest 适度的；不太大的 reforms in 1984, even before the end of the Sino-British negotiations, including indirect elections to the Legislative Council in 1985 (although these elections did not take place).

Example 4. 案例

The main bone of contention was the pace and scope of institutional change in Hong Kong before 1997.
The Joint Declaration specified that the “current” institutions of Hong Kong were to remain unchanged for fifty years, but it gave no definition of “current.” The Chinese government argued that Hong Kong should return to China as it stood in 1984, when the joint agreement was signed, but the British and Hong Kong governments insisted that Hong Kong could not be frozen in time for thirteen years.
The Chinese government viewed any efforts to introduce political, institutional, or legislative changes as attempts to maintain a British presence after 1997.
Britain and China had agreed that by 1997 the Legislative Council would be “constituted by elections,” but Britain and China interpreted this differently.
The Chinese government firmly opposed any suggestions of universal suffrage, especially since the British had waited so long in their rule even to consider this.
In 1985 Xu Jiatun declared that “consultation” constituted a form of election.
Although the British had insisted that the Joint Declaration should specify that Hong Kong’s legislature would be “constituted by election,” the Chinese later claimed that they were unaware of the ramifications of the British definition of the term “election.”
However, the British had proposed modest reforms in 1984, even before the end of the Sino-British negotiations, including indirect elections to the Legislative Council in 1985 (although these elections did not take place).

争论的焦点在于1997年之前香港制度变革的速度和范围。《中英联合声明》规定香港“现有”制度五十年内保持不变，但并未对“现有”一词作出定义。中国政府认为香港应恢复到1984年签署联合声明时的状态，但英国和香港政府坚持认为香港不能被冻结十三年。中国政府将任何试图进行政治、制度或立法改革的努力视为英国在1997年后继续统治香港的企图。英国和中国曾同意立法会到1997年“由选举产生”，但双方对此的理解存在分歧。中国政府坚决反对任何普选提议，尤其考虑到英国在其统治下如此漫长的时间里都未曾考虑过普选。1985年，徐家屯宣称“协商”本身就是一种选举形式。尽管英国方面坚持《中英联合声明》应明确规定香港立法会“由选举产生”，但中方后来声称他们并不了解英国对“选举”一词的定义所带来的影响。然而，早在1984年，甚至在中英谈判结束之前，英国就提出了一些温和的改革方案，包括1985年立法会的间接选举（尽管这些选举最终并未举行）。

The Basic Law took almost five years to draft.

On July 1, 1985, the National People’s Congress 全国人代会 established the Hong Kong Basic Law Drafting Committee 起草委员会, which **consisted of** 由……组成 59 appointed members (36 from the mainland and 23 from Hong Kong) and held its first plenum 全体会议；全会 that week in Beijing.

Example 5. 案例
plenum

→ plen-,全体的，全部的，-um,中性格。引申词义全体会议。

英 / ˈpliːnəm / 美 / ˈpliːnəm / 全球发音

简明 牛津 新牛津 韦氏 柯林斯 例句 百科

ple·num *n.* /ˈpliːnəm/

On September 18, the Basic Law Consultative Committee 咨询委员会 was established in Hong Kong, **consisting of** 180 appointed members, all local residents.

In early 1986, Timothy Renton, the British Foreign Office minister for Hong Kong, announced his government’s *policy of convergence* (n.)趋同；汇合；收敛, meaning that Britain would **consult (v.)咨询，请教 with** 与……磋商；请教 China on all matters **pertinent (a.)切题的，相关的 to** 与……相关的；关于的 the 1997 transition 过渡；转变 and that no political reforms would be made until after the publication of the Basic Law in 1990.

Example 6. 案例
convergence

convergence

noun [C or U]

UK /kənˈvɜːdʒᵊns/ US /kənˈvɜ-ːdʒᵊns/

Add to word list

the fact that two or more things, ideas, etc. become similar or come together:

- *a convergence **of** interests/opinions/ideas*
- *The convergence of pop-cultural trends and technological progress gave us camera phones and the "selfie".*

Policy of Convergence

► Gemini:

中文正式翻译为“衔接政策”.

“衔接”就是要求英国在 1997 年前做的每一项改变（尤其是政治体制），必须提前跟中国商量，确保它能“对准”中国即将在 1990 年颁布的《基本法》。

背景： 1985 年英国尝试在香港推行间接选举（功能界别），引起了中方的强烈不满。中方担心英国在“还政于民”的幌子下，把香港变成一个不受北京控制的独立实体。

核心内容： **英国承诺，在 1997 年前的过渡期内，所有的政制发展必须与未来的《基本法》相衔接。如果《基本法》没写的东西，英国就不提前搞。**

提摩太·伦顿（Timothy Renton）宣布这个政策，对当时的香港产生了三个深远的影响：

- A.英国放弃了“政改主动权”
  这意味着英国承认了：关于 1997 年后香港该怎么治理，中国拥有最终决定权。**英国不再单方面大刀阔斧地推行民主化，而是变成了一个“配合者”。**
- B.民主化进程的“刹车”
  原本香港民间（如“汇点”等组织）期望在 1988 年就能实现立法局“直选”。但因为要“衔接” 1990 年才出炉的《基本法》，英国宣布在 1990 年前不会有重大改革。这导致了香港民主进程被推迟了至少三年。
- C.“直通车”方案的诞生
  为了确保平稳，双方提出了“直通车” (Through Train) 的设想：即 1995 年选出的最后一届"立法局"议员，如果符合《基本法》规定，可以直接过渡成为 1997 年特区第一届"立法会"议员。

In fact, Britain and China had made a secret agreement in late 1985 to delay any major constitutional reforms until 1991.

Although Britain later argued that /this arrangement forced (v.) the Chinese government **to agree to** more extensive (a.)广泛的；大量的 political reforms in 1991 than *it would have otherwise allowed*, the policy of convergence **was seen** by many people in Hong Kong **as** a capitulation （有条件的）投降；让步 to the Chinese government /and seriously hurt (v.) the Hong Kong government’ s image 形象；声誉.

尽管英国后来辩称，这一安排迫使中国政府同意在1991年进行"比原本允许的"更广泛的政治改革，但在许多香港人看来，这种趋同政策是对中国政府的投降，严重损害了香港政府的形象。

Example 7. 案例

it would have otherwise allowed

would have allowed：过去将来完成时，**表示 “（在另一种假设情况下）原本会允许的程度”。**

otherwise：副词，意为 “否则、在另一种情况下” 。它引出了与事实相反的假设背景。

would have allowed本身隐含了一个未明说的 if 条件状语从句。我们可以将其补全以便理解：
完整逻辑：...than it would have allowed /if the arrangement had not forced it.
（.....比它如果没有被这个安排强迫的话, 原本会允许的要多。 ）

这个安排迫使中国政府同意了（在 1991 年进行）比它（如果没有这个安排）原本会允许的更广泛的政治改革。

The policy of convergence received symbolic 象征性的 approval 批准；认可 when Queen Elizabeth visited Beijing, Shanghai, Guangzhou, and, finally Hong Kong in October 1986.

1986年10月，伊丽莎白女王访问北京、上海、广州，最后抵达香港，这一举措标志着融合政策获得了象征性认可。

Example 8. 案例

The Basic Law took almost five years to draft.
On July 1, 1985, the National People’s Congress established the Hong Kong Basic Law Drafting Committee, which consisted of 59 appointed members (36 from the mainland and 23 from Hong Kong) and held its first plenum that week in Beijing.
On September 18, the Basic Law Consultative Committee was established in Hong Kong, consisting of 180 appointed members, all local residents.
In early 1986, Timothy Renton, the British Foreign Office minister for Hong Kong, announced his government’s policy of convergence, meaning that Britain would consult with China on all matters pertinent to the 1997 transition and that no political reforms would be made until after the publication of the Basic Law in 1990.
In fact, Britain and China had made a secret agreement in late 1985 to delay any major constitutional reforms until 1991.
Although Britain later argued that this arrangement forced the Chinese government to agree to more extensive political reforms in 1991 than it would have otherwise allowed, the policy of convergence was seen by many people in Hong Kong as a capitulation to the Chinese government and seriously hurt the Hong Kong government’s image.
The policy of convergence received symbolic approval when Queen Elizabeth visited Beijing, Shanghai, Guangzhou, and, finally Hong Kong in October 1986.

《基本法》的起草历时近五年。1985年7月1日，全国人民代表大会成立香港基本法起草委员会，由59名委任委员组成（36名来自内地，23名来自香港），并于当周在北京召开第一次全体会议。9月18日，香港成立基本法咨询委员会，由180名委任委员组成，全部为香港居民。 1986年初，英国外交部负责香港事务的国务大臣蒂莫西·伦顿宣布了英国政府的“趋同政策” ，这意味着英国将就所有与1997年过渡期相关的事宜与中国进行磋商，并且在1990年《基本法》颁布之前不会进行任何政治改革。事实上，英中两国早在1985年底就达成了一项秘密协议，将任何重大宪政改革推迟到1991年。尽管英国后来辩称，这一安排迫使中国政府在1991年同意进行比其原本允许的更为广泛的政治改革，但许多香港人认为“趋同政策”是对中国政府的屈服，严重损害了香港特区政府的形象。1986年10月，伊丽莎白女王访问北京、上海、广州，最后访问香港，这象征性地认可了“趋同政策”。

Example 11. 案例

Released in late April 1988 for a five-month public consultation, the first draft of the Basic Law provoked a storm of criticism in Hong Kong.
Almost seventy-five thousand submissions were received over the consultation period.
The amended second draft, released in late February 1989, also received a great deal of criticism during the eight-month consultation period, mainly from liberal groups but even from moderate and conservative groups, for not allowing more room for representative government.
The drafting process was also disrupted after the student protests in Beijing that culminated in the Tiananmen Square Massacre in June 1989.
Two members of the drafting committee—Louis Cha, a publisher, and Peter Kwong, the Anglican bishop—resigned after the PRC government imposed martial law on May 20.
The PRC excluded from the drafting committee Martin Lee and Szeto Wah, the two most vocal advocates of democratization on the committee and the founders of the Hong Kong Alliance in Support of the Patriotic Democratic Movement in China.

1988年4月下旬公布的《基本法》初稿，在香港引发了轩然大波，征求公众意见长达五个月。征求意见期间，共收到近七万五千份意见书。1989年2月下旬公布的修订版二稿，在为期八个月的征求意见期间也饱受诟病，批评者主要来自自由派团体，但也包括一些温和派和保守派团体，批评其未能赋予香港更多代表制政府的空间。1989年6月，北京爆发学生运动，最终演变为天安门事件，这也干扰了《基本法》的起草进程。5月20日，中国政府实施戒严后，起草委员会的两名成员——出版商查良镛和圣公会主教邝德华——辞职。中国政府还将李柱铭和司徒华排除在起草委员会之外，这两位是委员会中最积极的民主化倡导者，也是香港支持爱国民主运动联盟的创始人。

The British government later justified (v.)证明……正当；为……辩护 this secret deal by insisting that /**the compromise 妥协；折中方案 ensured that** the Chinese would allow *the new constitutional 宪法的；体制的 arrangement* to last (v.) beyond 1997.

英国政府后来为这一秘密协议辩护，坚称这一妥协确保了中国将允许新的宪法安排, 延续到1997年以后。

Example 12. 案例

The British government tried to persuade the PRC to modify some of the clauses, including those enabling the PRC to station troops in Hong Kong and to declare a state of emergency, but instead the PRC added a new clause: Article 23, which allowed the future HKSAR to prohibit subversion against the PRC government.
After meeting in January to amend the law, in February 1990 the drafting committee held its ninth and final plenum in Beijing, where it adopted its final draft.
In accordance with a secret deal made by British and Chinese officials in January-February in Beijing, the new final draft included an amendment calling for eighteen directly elected Legislative Council seats in 1991 and twenty in 1995.
The British government later justified this secret deal by insisting that the compromise ensured that the Chinese would allow the new constitutional arrangement to last beyond 1997.
On April 4, 1990, the National People’s Congress formally enacted the Basic Law, which was then promulgated by the PRC government.

英国政府曾试图说服中华人民共和国修改部分条款，包括允许中华人民共和国在香港驻军和宣布紧急状态的条款，但中华人民共和国反而增加了一条新条款：第23条，该条款允许未来的香港特别行政区禁止颠覆中华人民共和国政府的行为。1990年1月，起草委员会召开会议修改法律，并于2月在北京举行第九次也是最后一次全体会议，通过了最终草案。根据英中官员在1月至2月间于北京达成的秘密协议，新的最终草案包含一项修正案，规定1991年立法会席位将由18人直接选举产生，1995年将增加到20人。英国政府后来辩称，这项秘密协议的合理性在于，它确保了中国允许新的宪政安排在1997年之后继续有效。1990年4月4日，全国人民代表大会正式通过了《基本法》，随后中华人民共和国政府颁布实施。

Most people in Hong Kong understood that /while the Basic Law was the PRC government’s attempt to show Hong Kong people that /it was sincere 真诚的；诚挚的 about *the one country, two systems model*, it was also the government’s way to show that /it was **in charge 负责；掌管 of** Hong Kong’s post-1997 future.

Example 13. 案例

Most people in Hong Kong understood that while the Basic Law was the PRC government’s attempt to show Hong Kong people that it was sincere about the one country, two systems model, it was also the government’s way to show that it was in charge of Hong Kong’s post-1997 future.
As Hong Kong’s miniconstitution, the Basic Law promises a “high level of autonomy.” It makes Beijing responsible for Hong Kong’s foreign policy and defense but allows Hong Kong to participate independently in international organizations such as the World Trade Organization and the Olympics.
Although both the Joint Declaration and the Basic Law guarantee that Hong Kong’s legal and judicial systems will not be changed, the Standing Committee of the National People’s Congress has the ultimate authority to interpret and amend the Basic Law and to revoke any Hong Kong law that it feels violates the Basic Law.

香港大多数人都明白，《基本法》既是中华人民共和国政府向香港人民表明其对“一国两制”模式诚意之举，也是政府展现其对香港1997年后未来走向掌控权的途径。作为香港的“小宪法”，《基本法》承诺给予香港“高度自治”。它规定北京负责香港的外交和国防事务，但允许香港独立参与世界贸易组织和奥林匹克运动会等国际组织。尽管《中共中央与全民联合声明》和《基本法》都保证香港的法律和司法制度不会改变，但全国人大常委会拥有最终解释和修改《基本法》的权力，并有权撤销任何其认为违反《基本法》的香港法律。
