大力投资中国南方的商业和工业活动, 并向家乡的慈善、教育、公共工程和医疗项目捐款。香港也是中国南方的主要汇款中心, 处理了海外华人汇往中国的资金的50%以上。

Many Chinese in Hong Kong also participated in nationalist 民族主义的 boycotts 抵制；联合抵制 such as the Anti-American Boycott of 1905–1906.

Throughout the 1880s and early 1890s, the American government issued a series of *exclusion 排斥；排除 acts* 法案；法令 prohibiting (v.) Chinese workers from entering the United States, but other Chinese in America were also the targets of discrimination 歧视；区别对待 and violence.

In July 1905, a Chinese who had been arrested without a warrant 搜查令；逮捕令；依据 by immigration officers in Boston **committed suicide** in front of the American consulate 领事馆 in Shanghai. This led to a massive 大规模的；大量的 boycott of American goods in China.

Example 2. 案例

embassy 的重要性往往比 consulate要高，因為 embassy往往是位於一個國家的首都的. 而consulate 則可說是一個迷你版的 embassy，通常位於一個國家裡較大型的、遊客熱門前往的非首都城市。

Although many local Chinese business leaders opposed 反对 the boycott **on the grounds that** 基于……的理由；因为 it would hurt Hong Kong’s economy, teachers, students, journalists, and merchants kept it going.

轿夫和人力车夫, 拒绝搭载来访的美国战争部长威廉·塔夫脱（他体重超过300磅，确实会是一个非常沉重的负担）及其随行人员。

Example 3. 案例

我问: 这里为什么写成 would have been a very heavy load , 而不是 would be a very heavy load ?

► DeepSeek:

Header 1	Header 2
“would have been” ：表示**过去的可能性（但实际没发生）**。	**这里使用 “would have been” 而不是 “would be” ，是因为作者在描述一个基于历史事实的“反事实假设”。这种用法被称为 “虚拟语气” （Subjunctive Mood），用来表达一种与过去事实相反的假设或推测。** 这句话的逻辑是：因为轿夫们拒绝了抬他，所以他实际上并没有被抬。 **假设：如果轿夫们真的抬了他，那会是什么情况？ “would have been” 正是用来描述这种 “如果当时发生了，那就会是...” 的虚拟情况。它暗示了这件事实际上并没有发生。** 例： • If you had carried him, it would have been a heavy load.（如果你当时抬了他，那本来会是个重担。）—— 实际上没抬。 • If I had known you were in town, I would have invited you to dinner. 要是我当时知道你在城里，我本来会邀请你吃饭的。 ← 描述过去本可以做但没做的事，带有强烈的惋惜情绪。**表示“遗憾”或“后悔”（最常见用法）** • She would have been a great doctor if she hadn’t given up her studies. 如果她没有放弃学业，她**本来会**成为一名出色的医生。 ← 事实是“她放弃了学业”，所以“她没成为医生”。这是对过去选择的假设。 • Given the traffic jam, he would have been late for the meeting anyway. 考虑到堵车，他多半是开会迟到了。 ← **表示“推测”或“判断”. 对过去某个不确定的情况进行逻辑推断，语气比“must have been”更委婉。** • It would have been a disaster if we had followed his advice. 要是我们当时听了他的建议，那绝对会是一场灾难。 ← 事实是“我们没听他的建议”，所以避免了灾难。这是对过去另一种可能性的评价。(**对过去某个未发生或未体验的事情进行评价**) • I would have called you, but my phone ran out of battery. 我**本来想**给你打电话的，但手机没电了。 ← 事实是“手机没电了”，所以“我没打电话”。前半句表达了我当时的意图。(**表示“过去的意愿”. 描述过去本打算做但没做成的事。**)
“would be” ：表示**"现在或将来"的可能性**（可能发生，也可能不发生）。	例：If you carry him, it would be a heavy load.（如果你抬他，那会是个重担。）—— 抬不抬还不确定。

总之，“would have + 过去分词” 永远指向过去。它就像一台“时光机”，让我们回到过去，去想象一个与现实不同的平行世界。只要你想表达“本来可以...”、“要是...就好了”、“想必当时...”，这个结构就是你的首选。

► gemini:

首先, would been 在英语语法中是不存在的。would 是一个情态助动词，它后面必须紧跟一个动词原形。

这里其实这涉及到了虚拟语气（Subjunctive Mood）. 在英语中，**表示“过去本会……”或“当时可能是……”的结构是：would + have + 过去分词 (done/been)**

- It would have been very heavy. 推测： “如果我刚才搬了，那本来会很沉的。” (事实：你没搬那个箱子。)

回到原文：
事实： 轿夫和黄包车夫拒绝了载他（所以他们并没有实际感受到那个重量）。而如果他们真的抬了，那对他们来说本来会是一个极其沉重的负担。

entourage

[C+sing./pl.v.] a group of people who travel with an important person （统称）随行人员，随从 → en-, 进入，使。-tour, 围，词源同turn.

A group of wealthy Chinese merchants, including Li Yuk Tong, who had started his career in California, formed the Society to Oppose the American Exclusion Treaties Against Chinese Laborers. 许多在港华人也参与了民族主义抵制运动, 例如1905-1906年的反美抵制运动。19世纪80年代和90年代初, 美国政府颁布了一系列排华法案, 禁止中国劳工进入美国, 而身处美国的华人也遭受歧视和暴力。1905年7月, 一名在波士顿被移民官员无逮捕令逮捕的华人, 在上海美国领事馆前自杀身亡。这引发了中国大规模的抵制美国商品运动。尽管许多香港华人商界领袖反对抵制, 认为这会损害香港经济, 但教师、学生、记者和商户仍然坚持不懈地进行抵制。一些商店拒绝销售美国商品。中文报纸报道了抵制运动的进展, 拒绝刊登美国商品的广告, 并公布了销售美国商品的商家名单。轿夫和人力车夫拒绝运送来访的美国陆军部长威廉·塔夫脱（他体重超过三百磅, 确实是个不小的负担）及其随行人员。一群富有的华人商人, 包括早年在加利福尼亚创业的李玉堂, 成立了反对美国排华条约协会。

When Japanese exports to Hong Kong dropped by more than one-quarter, the Japanese vice-consul tried to patch up relations with the Chinese business leaders.
The boycott ended by January 1909, although it was revived later that year in protest against the expansion of Japanese influence in northeastern China. 类似的中国民族主义体现是 1908 年 3 月至 12 月的抗日运动。日本政府强迫中国政府就扣押“辰丸二号”—— 一艘向广东走私武器弹药的日本货轮——一事道歉后, 广州的华人以抵制日货的方式抗议这一民族耻辱。香港的抵制运动主要由当地商人组织, 规模甚至比广州的还要大。违反抵制令的商人面临罚款, 而“敢死队”则威胁要杀害并割掉违反抵制令的中国商人的耳朵。11 月初, 暴徒袭击了销售日货的商店。尽管抵制者没有袭击任何日本公司, 但殖民政府不得不保护日本企业。殖民警察枪杀了两名中国暴徒, 逮捕了至少一百多人, 并将抵制运动的领导人未经审判就驱逐出境后, 中国企业以停业两周的方式进行抗议；另一些企业则从香港上海汇丰银行提取了大量资金。由于担心镇压行动会引发中国民众恐慌, 从而损害贸易, 欧洲商界人士劝说政府放松逮捕力度。当日本对香港的出口下降超过四分之一时, 日本副领事试图修复与中国商界领袖的关系。抵制行动于 1909 年 1 月结束, 但同年晚些时候, 由于抗议日本势力在中国东北地区的扩张, 抵制行动再次兴起。

Example 7. 案例

Hong Kong’s colonial situation also enabled it to play an important role in the 1911 revolution, which toppled the Qing dynasty and established the Republic of China.
Sun Yat-sen, who is celebrated throughout the Chinese world as the “father of the nation,” was educated partly in Hong Kong, first at the Central School and later at the College of Medicine.
Although the government was eager to prevent Hong Kong from becoming a center for subversion, the colony served as a base for recruiting and training Chinese revolutionaries.
Here Sun established a local branch of the Revive China Society, which he had founded earlier as a student in Honolulu.
The United League, a revolutionary group founded by Sun in Tokyo in 1905, was also active in Hong Kong.
In a free port with easy access to arms and munitions from Japan and the West, Sun and his revolutionaries were able to organize a range of clandestine activities.
The first revolutionary uprising in Canton in 1895 was orchestrated from Hong Kong, as was the second uprising, which occurred in 1900 in Huizhou—only ten miles from the New Territories.
An aborted uprising scheduled for January 1903 outside Canton was also partly planned in Hong Kong.
The colony was home to a host of local organizations that supported the revolutionaries, while local Chinese businessmen offered financial support for the movement. 香港的殖民地地位也使其在1911年推翻清朝、建立中华民国的辛亥革命中发挥了重要作用。被誉为“国父”的孙中山先生曾在香港接受教育, 先是在中央学校, 后进入香港医学院。尽管政府极力阻止香港成为颠覆中心, 但香港仍成为招募和训练中国革命者的基地。孙中山先生在此建立了复兴中国协会的香港分会, 该协会是他早年在檀香山求学时创立的。孙中山先生于1905年在东京创立的革命组织“联合同盟”也在香港积极活动。香港作为自由港, 武器弹药可以便捷地从日本和西方获得, 这使得孙中山先生及其革命者得以组织一系列秘密活动。 1895年广州的第一次革命起义是由香港策划的, 1900年发生在徽州（距新界仅十英里）的第二次起义也是如此。原定于1903年1月在广州郊外爆发的一次起义, 部分策划工作也在香港完成。香港拥有众多支持革命者的本地组织, 而当地的华人商人也为这场运动提供了资金支持。

Given Hong Kong’s relatively wide *freedom of the press* 新闻自由, 主 revolutionary newspapers such as the China Daily —published in Hong Kong and **distributed 分发；散布 to** overseas Chinese communities — 谓 could **not only** debate (v.) *more conservative 保守的；守旧的 newspapers* 后定说明 advocating 主张；拥护 less radical 激进的 reforms for China /**but** could even **openly call for** 呼吁；号召 revolution.

鉴于香港拥有相对广泛的新闻自由，像《中国日报》这样的革命报纸——在香港出版并向海外华人社区发行——不仅可以与"主张在中国进行较温和改革的 更为保守的报纸"展开辩论，甚至还能"公开呼吁革命"。

Hong Kong also **served as** a sanctuary 避难所；庇护所 for Chinese reformers 改革者 and revolutionaries 革命者.

Example 8. 案例

sanctuary

→ sanct-,神圣的，-ary,表地方。即圣所，圣殿，引申诸相关词义。

Sun Yat-sen **took refuge** 避难；躲避 there after the failed (a.) 1895 uprising 起义；暴动.

When the moderate 温和的，中等的；不偏激的 reformer Kang Youwei 康有为 **fled to** Hong Kong with help from British authorities after the aborted 流产的；夭折的;失败的；中止的 Hundred Days of Reform in the summer of 1898, he was initially protected by the colonial government.

Yang Quyun, a leader of *the Revive（使）复苏；重新唤起 China Association*, was allowed to take refuge 避难；躲避 in Hong Kong after the 1900 uprising.

Embarrassed and outraged 愤慨的；义愤填膺的 when Qing agents 特工；密探 assassinated 暗杀；行刺 Yang in 1901, colonial authorities **provided** police protection **to** Chen Shaobai, another revolutionary 革命者, and gave him a permit 许可证；执照 to carry a gun for self-defense.

Example 9. 案例

Given Hong Kong’s relatively wide freedom of the press, revolutionary newspapers such as the China Daily—published in Hong Kong and distributed to overseas Chinese communities—could not only debate more conservative newspapers advocating less radical reforms for China but could even openly call for revolution.
Hong Kong also served as a sanctuary for Chinese reformers and revolutionaries.
Sun Yat-sen took refuge there after the failed 1895 uprising.
When the moderate reformer Kang Youwei fled to Hong Kong with help from British authorities after the aborted Hundred Days of Reform in the summer of 1898, he was initially protected by the colonial government.
Yang Quyun, a leader of the Revive China Association, was allowed to take refuge in Hong Kong after the 1900 uprising.
Embarrassed and outraged when Qing agents assassinated Yang in 1901, colonial authorities provided police protection to Chen Shaobai, another revolutionary, and gave him a permit to carry a gun for self-defense. 鉴于香港相对宽松的新闻自由, 像《 中国日报》这样的革命报纸——在香港出版并发行到海外华人社区——不仅可以与主张对中国进行较为温和改革的保守报纸展开辩论, 甚至可以公开呼吁革命。香港也成为了中国改革派和革命者的避难所。孙

中山在 1895 年起义失败后曾在此避难。1898 年夏天, 温和派改革家康有为在百日改革失败后, 在英国当局的帮助下逃往香港, 最初受到殖民政府的保护。1900 年起义后, 复兴中国协会的领导人杨屈云获准在香港避难。1901 年, 清政府官员刺杀杨屈云, 令殖民当局感到羞愧和愤怒, 于是为另一位革命者陈少白提供警察保护, 并允许他持枪自卫。

Like colonial governments elsewhere , the Hong Kong government inadvertently 无意地；非故意地 helped to encourage the growth of Chinese nationalism 民族主义.

Example 10. 案例

inadvertent

→ in- (否定前缀)：表示“不、没有”。ad- (方向前缀)：表示“朝向、去往”。vertere (拉丁语词根)：意为“to turn”（转向、转动）。字面意思是“把脸或注意力转向某处”。 加上否定前缀 in- 后，**字面意思就是 “没有把注意力转向某处”，即“疏忽的、无意的”。**

Eager not to encourage anti-Manchu 反清的 or revolutionary 革命的 feelings, the government did not **include** recent Chinese history **in** local schools.

By including topics such as parliamentary 议会的；国会的 government, however, the colonial educational curriculum 课程 encouraged students to think about politics in ways that helped shape their political consciousness 政治意识；政治觉悟.

Furthermore, students in schools such as the Central School **were exposed 暴露，使显露；使面临，使遭受（危险或不快） to** 接触到；了解到 teachers and students of different nationalities 国籍；民族 and backgrounds, and the school library had works 作品 from all over the world.

In a speech at the University of Hong Kong in 1923, Sun Yat-sen declared that he had developed his revolutionary ideas “entirely 完全地；彻底地 in Hong Kong.”
The extreme contrast 对比；对照 **between** *the peace and order* in Hong Kong **and** the disorder 混乱；骚乱 and corruption in China, Sun explained, had made him a revolutionary (n.a.)革命者，革命家.

“I began to wonder **how it was that** 为什么...会发生(**that 后面引导的是他感到惊讶的那个事实**) /foreigners, that (相当于 those，用于复指前面的 foreigners，起到强调作用) Englishmen 外国人，特别是英国人, could do such things 后定说明 as they had done 像他们做过的那样的成就, for example, with the barren 贫瘠的；不毛的 rock of Hong Kong, within 70 or 80 years, 对比状 while China, in 4,000 years, had no places like Hong Kong.”

我开始思考，为什么外国人，特别是英国人，能够在 70 或 80 年内完成像他们（把香港）从一个贫瘠的岩石变成现在这样（的成就），而中国在 4000 年的时间里却没有像香港这样的地方。

Table 1. I began to wonder how it was that foreigners, that Englishmen, could do such things as they had done, for example, with the barren rock of Hong Kong, within 70 or 80 years, while China, in 4,000 years, had no places like Hong Kong.

Header 1	Header 2
I began to wonder how it was that foreigners, that Englishmen, could do such things as they had done	**how it was that...** 是一个非常地道的英语句式，用来表示**“究竟是怎么回事”或“到底是为什么”. 这里的 that 后面引导的是他感到惊讶的那个事实。** **这个句式其实是 It was... that...（强调句型）的疑问形式。** • 普通问法： How could foreigners do such things?（外国人是怎么做到这些事的？） • 强调句问法： **How was it that** foreigners could do such things?（**究竟是怎么回事**，使得外国人能做到这些事？） 又例: • 普通问法： Why are you late? 你为什么迟到？（可能只是问原因） • 强调句问法： **How is it that** you are late again? 到底是怎么搞的，你怎么又迟到了？（带有探究原因、甚至带有一点不可思议的语气） 简单来说，**你可以把 how it was that 直接替换为 "why" 或 "the reason why"，但原句的写法(how it was that...)更有力量，**更能体现出那种“百思不得其解，想要挖掘真相”的语气。 --- that Englishmen：**这里的 that 不是引导从句的连词，而是 指示代词，相当于 those，用于复指前面的 foreigners，起到强调作用，**意思是“那些英国人，特别是英国人”。
for example, with the barren rock of Hong Kong, within 70 or 80 years,	with the barren rock of Hong Kong：**这里的 with 表示“关于”或“在...方面”，**不是“用”的意思。它具体说明了 such things 的内容，即“把香港从一个贫瘠的岩石变成繁荣之地”这件事。

(Sun did not mention (v.) this part, but, having observed 观察；目睹 the anti-French strikes of 1884, he knew that Hong Kong would provide a favorable environment for his revolutionary activities.)

having observed

having done ← 描述事情的背景情况	现在分词的完成式, **这种结构表示一个"已经完成的先行动作"，通常带有"原因"或"背景"意义。即有 “先时性” 和 “因果逻辑” 。** (**-ing 往往表示同时发生, 但如果你要把该动作放到过去呢? 就用 -ing的完成时: having done**) Sun did not mention this part, but, having observed 观察；目睹 the anti-French strikes of 1884, he knew that Hong Kong would provide a favorable environment for his revolutionary activities. 因为**他观察过1884年的反法罢工，所以他知道香港会成为有利的革命环境。也就是说：having observed → 表示"先发生的原因背景"** 即时间线是: ------having observed (先观察.这个动作是作为后来事情的背景)-----he knew (后知道) ----------
为什么不用普通的 observing ?	为什么不写成 observing (v.) the anti-French strikes of 1884, he knew that... 如果写：observing the anti-French strikes of 1884 **语义会变得模糊，因为 -ing 分词通常表示：** **- 1.同时发生** **- 2.或一般背景** **但作者想表达的是：先观察这个事件 → 然后形成认识. 这两件事是有时间先后顺序的. 所以要用 having done (A事件,背景事件)，明确表示：A已经完成，然后才发B动作。** 可以把结构展开成完整句： - because he **had observed** the anti-French strikes of 1884 - 或者：after he **had observed** the anti-French strikes of 1884 所以：**having observed = because / after he had observed** 又例: • Having finished (先发生) his studies, he returned to China (后发生) . = After he had finished his studies. • Having read (先发生) the report, she changed her opinion (后发生). = After she had read the report. • Having lost (先发生) the war, the empire collapsed (后发生). = After it had lost the war. 历史写作很喜欢这种 完成式分词， 因为它能把一整句：Because he had observed... 压缩成两个词：Having observed

In a speech at the University of Hong Kong in 1923, Sun Yat-sen declared that he had developed his revolutionary ideas "entirely in Hong Kong." The extreme contrast between the peace and order in Hong Kong and the disorder and corruption in China, Sun explained, had made him a revolutionary.
"I began to wonder how it was that foreigners, that Englishmen, could do such things as they had done, for example, with the barren rock of Hong Kong, within 70 or 80 years, while China, in 4,000 years, had no places like Hong Kong." (Sun did not mention this part, but, having observed the anti-French strikes of 1884, he knew that Hong Kong would provide a favorable environment for his revolutionary activities.) 与其他地方的殖民政府一样, 香港政府无意中助长了中国民族主义的兴起。为了避免激起反满或革命情绪, 政府并未在当地学校教授近代中国历史。然而, 通过引入议会制政府等主题, 殖民时期的教育课程鼓励学生以独特的视角思考政治, 从而塑造了他们的政治意识。此外, 像中央学校这样的学校的学生有机会接触到来自不同国家和背景的师生, 学校图书馆也藏书丰富, 涵盖世界各地。1923年, 孙中山在香港大学的演讲中宣称, 他的革命思想"完全是在香港形成的"。孙中山解释说, 香港的和平与秩序与中国大陆的混乱与腐败形成了鲜明的对比, 正是这种对比促使他走上了革命之路。 "我开始纳闷, 为什么外国人, 尤其是英国人, 能在短短七八十年内, 把香港这片贫瘠的土地变成现在这样的地方, 而中国四千年来却从未有过像香港这样的地方。" (孙中山没有提及这一点, 但他目睹了1884年的反法罢工, 知道香港将为他的革命活动提供有利的环境。)

Although the official government policy toward the Chinese revolutionaries was one of neutrality, the colonial government had to walk a very narrow tightrope.
Like most Chinese in Hong Kong, it supported political change in China.
The colonial government was under orders from the British government not to let Hong Kong become a base for subversion, but it could not afford to alienate its Chinese subjects by clamping down on revolutionary activities (although in 1907 it passed the Chinese Publications Ordinance, aimed at preventing Hong Kong from becoming a bastion of anti-Qing sentiment).
Thus, in March 1896 Governor Robinson rejected a request by Canton authorities to extradite one of Sun’ s followers.
Nor did the government try to close down revolutionary groups such as the Revive China Association.
In March 1896, however, Robinson ordered that Sun, en route from a fund-raising trip in Hawaii, be banished from Hong Kong for five years.

There are, however, good reasons not to overemphasize the role of Hong Kong in the growth of Chinese nationalism.
As historian Chan Lau Kit-ching argues, concern with events in China was “lukewarm” at best.13 Revolutionary publications were all very short-lived, and the activities of the Hong Kong branch of the United League were neither as extensive nor as effective as they are often described in revolutionary accounts that portray Hong Kong as a breeding ground for revolution.

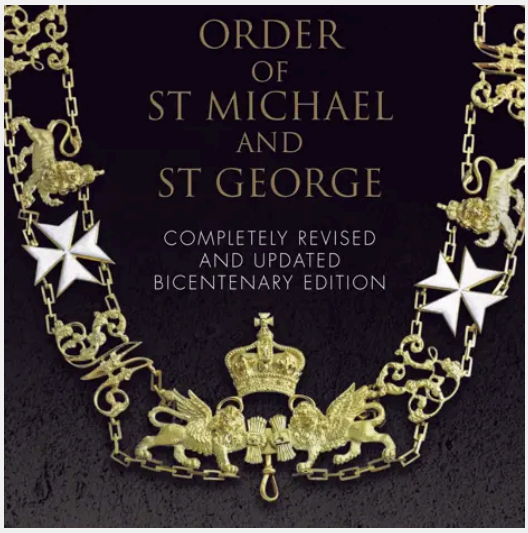
The Order of St Michael and St George

► Gemini:

The Order of St Michael and St George（圣米迦勒及圣乔治勋章）通常授予在外交领域或在海外（如殖民地）有重大贡献的人士。



具体到 A Companion of the Order，这是该勋章体系中的第三级（也是基础级）。

圣米迦勒及圣乔治勋章共有三个等级，从高到低排列如下：

等级简称	全称	对应头衔/称呼

GCMG	Knight *Grand Cross* (爵级大十字勋章)	获得爵位，称呼为“Sir”（爵士）
KCMG	Knight Commander (爵级司令勋章)	获得爵位，称呼为“Sir”（爵士）
CMG	Companion (同伴勋章 / 成员勋章)	无爵位，仅在名字后加后缀 CMG **获得 Companion (CMG) 意味着此人成为了这个“骑士团”的一员（同伴）。**在 1892 年，这属于非常高的荣誉，代表英国皇室对其在殖民地服务的官方认可。

在 1892 年获得 CMG 时，他还不是爵士（Knight），不能被称为“Sir”。
文中提到他在 1912 年被 knighted（授勋为爵士），这通常意味着他晋升到了更高的等级（如 KCMG），此时他才正式拥有了“爵士”头衔。

为什么是“圣米迦勒及圣乔治”？这两个圣人分别代表了不同的含义：

- St.Michael 圣米迦勒：大天使，象征正义与外交。
- St.George 圣乔治：英格兰的守护圣人，象征勇气与军事。

因此，这个勋章通常发给那些在海外为英国拓土开疆或处理外交事务的官员、将领。

Example 26. 案例
China should be a *constitutional monarchy* 君主立宪制 with people’s rights.

这里的 with 表示“具备、享有、包含”的意思，用于表示伴随的状况或属性。
“with people’s rights”，修饰前面的“a constitutional monarchy”，说明这是一种什么样的君主立宪制。

直译：... 中国应该是一个拥有人民权利的君主立宪制国家。

这个“with”强调了君主立宪政体内在包含的要素——人民的权利。它不是简单的“和”（and）的并列关系，而是指出“人民的权利”是这种政体形式的组成部分或基本特征。

“with people’s rights” 等同于 “which has/guarantees people’s rights”。它定义了前面“君主立宪制”的具体内涵，即这是一种保障民权的君主立宪，而非君主专制的立宪。

as did his attempts to act as a middleman...

我问: 这里 as did his attempts是倒装吗?

► DeepSeek:

这个结构属于**"as + 助动词/系动词 + 主语" 的倒装句式，用于表示“...也一样”。**

- 正常语序：**as** his attempts **did**
- 原句倒装部分：**as did** his attempts

如同"他试图充当中间人的努力"也（衰退了）一样

尽管何启参与革命运动的程度在 1900 年起义后大幅衰退，他试图充当中国革命者与香港政府之间中间人的努力也**同样衰退了**，但他对中国事务的关切并未减少。

这种倒装句的核心逻辑是：为了避免重复前文提到的动词，用助动词（do/does/did/have/has/had）或系动词（be）来替代，并将主语后置。

公式：as + 助动词/系动词 + 主语
功能：表示后一个主语的动作或状态, 与前一个主语相同。

- He was a great leader, as was his father. 他是一位伟大的领袖，他的父亲也是。
- You can achieve your goals, as can I. 你可以实现你的目标，我也可以。

- She loves reading novels, as do I. 她喜欢读小说，我也一样。
- The company has faced many challenges, as have its competitors. 这家公司面临了许多挑战，它的竞争对手也是如此。

Rather （纠正所说的话或提供更确切的信息）更确切地讲，更准确地说, 主 Ho, who believed that China should be a constitutional monarchy 君主立宪制 like England **instead of** a republic 共和国, 谓 had come to believe that the republican 共和的 ideas of Sun and his revolutionaries were too radical 激进的；极端的.

Still, Ho would remain committed (v.) to 致力于；投身于 the welfare 福祉；福利；幸福 of China for the rest of his life.

He **is still regarded as** an influential 有影响力的；有权势的 reformer.
One historian has called his writings 作品，篇章 “a symbolic 象征性的 turning point 转折点” in the Chinese reform movement.

Example 29. 案例

Ho was involved with the revolutionary movement at the turn of the century and played an important role in the history of the Revive China Society.
Along with several other local Chinese merchants, he helped finance the society’s newspaper, the China Daily.
He also helped organize the aborted 1895 uprising in Canton.
During the planning of the Huizhou uprising in 1900, he tried to use his connections with the Hong Kong English press on behalf of Sun Yat-sen’s rebels to obtain British aid or at least ensure a friendly Hong Kong government (under pressure from the Foreign Office, the colonial government allowed Qing troops to pass through Hong Kong territory to suppress the uprising).
Although Ho’s involvement with the revolutionary movement declined greatly after the 1900 uprising, as did his attempts to act as a middleman between the Chinese revolutionaries and the Hong Kong government, his concern for Chinese affairs was not diminished.
Rather, Ho, who believed that China should be a constitutional monarchy like England instead of a republic, had come to believe that the republican ideas of Sun and his revolutionaries were too radical.
Still, Ho would remain committed to the welfare of China for the rest of his life.
He is still regarded as an influential reformer.
One historian has called his writings “a symbolic turning point” in the Chinese reform movement.14 何鸿燊在世纪之交积极参与革命运动, 并在兴中华会的历史上扮演了重要角色。他与其他几位香港华商共同资助了该会的报纸《中国日报》。他还参与组织了 1895 年广州起义, 但最终以失败告终。1900 年徽州起义期间, 何鸿燊试图利用其在香港英文报刊的人脉, 为孙中山的起义者争取英国援助, 或至少确保香港政府对他们友好（在英国外交部的压力下, 殖民政府允许清军经香港镇压起义）。尽管 1900 年起义后, 何鸿燊参与革命运动的程度大幅下降, 他作为中国革命者和香港政府之间中间人的努力也随之减少, 但他对中国事务的关注却丝毫未减。相反, 何鸿燊认为中国应该像英国一样实行君主立宪制, 而不是共和制, 因此他认为孙中山及其革命者的共和思想过于激进。尽管如此, 何鸿燊终其一生都致力于中国的福祉。他至今仍被视为一位极具影响力的改革家。一位历史学家称他的著作是中国改革运动的“象征性转折点”。 14
