Example 4. 案例

The 1911 revolution aroused Chinese of all classes in Hong Kong.
Governor Frederick Lugard wrote that the news of the revolution was received with “the most amazing outburst which has ever been seen and heard in the history of the Colony....
The entire Chinese populace appeared to have been temporarily demented with joy.”15 On October 18, 1911, four hundred people marched on the local offices of the Bank of China and a promonarchy newspaper, forcing both to remove the Qing imperial flag.

The Tung Wah Hospital collected food for war refugees.
Students and merchants raised money to support the rebels.
Barbers cut queues (the Manchu hairstyle imposed on all men within the empire) for free, while patriotic prostitutes announced that they would donate half of their profits to the revolutionary cause.
Hong Kong also became a haven for former Qing officials after the revolution.
Here these officials and their families became a sort of displaced aristocracy, building Chinese-style villas, listening to music, composing poetry, and playing mah-jongg. 1911 年的革命唤醒了香港各阶层的华人。总督弗雷德里克·卢加德写道, 革命的消息传来时, 出现了“殖民地历史上前所未见的惊人爆发.....全体华人似乎都欣喜若狂, 一时失去了理智。” 1911 年 10 月 18 日, 四百人游行至中国银行香港分行和一家君主制报社, 迫使两家机构撤下清朝旗帜。马英彪、李玉堂等商人成立了东粤红十字会, 为革命伤员提供药品和

Although the revolutionaries 革命者, eager to keep the foreign powers 外国列强 neutral 中立的, discouraged 使气馁；阻碍；不鼓励 antiforeign 反外国的 sentiments 情绪；观点；看法, many Chinese in Hong Kong felt that /since the Manchus 满族人 had been driven out 驱逐；赶走 of China, the British should be next.

①Colonial authorities 谓 **discovered** factories for making bombs, ②and civil unrest 内乱；社会动荡 谓 **erupted** (v.) throughout the colony.

Example 5. 案例

注意: 这里的 and:

- 不要理解成并列的是factories 和 civil unrest, 这是错的.
  否则, 意思就会变成: 殖民当局发现了[工厂]和[动荡的局面]. **但"动荡"是发生的，而不是被"发现"的。**
- 而是并列的: Colonial authorities 和 civil unrest.

这句的逻辑流程其实是:
动作 A： 官方发现了炸弹工厂。 → (这是一个完整的事实)
连接词： and (接着/于是)
动作 B： 骚乱爆发了。 → (这是另一个完整的事实)

Crowds looted (v.)抢劫；掠夺 shops, **threw (v.) stones** at the police and at the governor 总督；州长 when he appeared in public 在公共场合, and tried to rescue (v.) prisoners in jail.

Example 6. 案例
loot

→ 来自梵语loptram,lotram,打劫，偷来的物品，来自PIE*reup,抓，抢，词源同 rip(（使）撕裂，（使）划破；迅速扯开，猛力去除) ,rob. 后引申词义战利品。印欧语字母r在与梵语l发生了音变关系，如light对应梵语词rocate,照耀，照明。

DERIVATIVES 派生词

v. n.

[U]

1. money and valuable objects taken by soldiers from the enemy after winning a battle战利品；掠夺品

   SYN booty

2. (*informal*) money and valuable objects that have been stolen by thieves赃物；被盗物
3. (*informal*) money钱

Europeans rushed to purchase (v.) firearms /after some **were attacked** on the streets.

The police made **so** many arrests (n.)逮捕；拘捕 **that** the prison authorities had to release (v.) some prisoners before they had finished their terms 刑期；期限.

In July 1912, a young Chinese man tried to assassinate 暗杀；行刺 the new governor, Francis May.

While *the assassination attempt* does not appear **to have (已经) been (被) connected with** any political plot, it nevertheless 然而；尽管如此 revealed (v.) the tensions that the revolution had provoked 激起；引发；挑起 in Hong Kong.

Example 7. 案例

我问: 这里 为什么用的是 to have been connected with, 而没有用 to connect with?

▶ Gemini:

为什么不能用 to connect with ?

1.时态逻辑错误: 因为 **to connect 是不定式的一般形式，通常表示与主句谓语 (does not appear) "同时发生"或"将来发生"。**
如果你用这个, 句子意思就会变成： **这场刺杀现在看起来 ("正在"或"将要") 去连接某个阴谋。——这显然不符合逻辑，因为刺杀是已经发生过的事。**

2.**主动被动错误: 刺杀不会主动去"连接"阴谋，而是"被人发现与某事有关联" (被关联)。**

所以, 原句这个结构其实是由三块"积木"组成的：

积木块	语法形式	表达的意义
不定式	to	承接 appear (看起来...)
完成时	have been	表示这个"关联"发生在过去（刺杀发生时）。
被动语态	been connected	表示"被牵扯进、被关联到"。

合并结果： to have (已经) been (被) connected with → 看起来（在当时）并未被牵扯进.....

即, 作者想表达的是：现在的迹象表明，在那个刺杀发生的过去时刻，它并没有和政治阴谋产生被动关联。

又例:

想象你回家看到窗户碎了，警察在调查。

- 例 A（现在时/主动）： The thief appears **to break** the window.
  意为： 贼看起来（正在）砸窗户。（你正撞见他在砸）
- 例 B（完成时/被动）： The window appears **to have (已经) been (被) broken** by a stone.
  意为： 窗户看起来（之前）被石头砸碎了。（你看到的是结果，砸的动作发生在过去）

Example 8. 案例

Although the revolutionaries, eager to keep the foreign powers neutral, discouraged antiforeign sentiments, many Chinese in Hong Kong felt that since the Manchus had been driven out of China, the British should be next.
Colonial authorities discovered factories for making bombs, and civil unrest erupted throughout the colony.
Crowds looted shops, threw stones at the police and at the governor when he appeared in public, and tried to rescue prisoners in jail.
Europeans rushed to purchase firearms after some were attacked on the streets.
The police made so many arrests that the prison authorities had to release some prisoners before they had finished their terms.
In July 1912, a young Chinese man tried to assassinate the new governor, Francis May.
While the assassination attempt does not appear to have been connected with any political plot, it nevertheless revealed the tensions that the revolution had provoked in Hong Kong. 尽管革命者为了保持外国列强的中立, 竭力压制反外情绪, 但许多香港华人认为, 既然满清已被逐出中国, 英国人也应该被赶走。殖民当局发现了制造炸弹的工厂, 整个殖民地爆发了骚乱。民众抢劫商店, 向警察和公开露面的总督投掷石块, 并试图营救狱中的囚犯。一些欧洲人在街头遭到袭击后, 纷纷抢购枪支。警方逮捕了许多人, 以至于监狱当局不得不提前释放一些囚犯。1912年7月, 一名年轻的华人试图刺杀新任总督弗朗西斯·梅。虽然这次刺杀未遂事件似乎与任何政治阴谋无关, 但它仍然揭示了革命在香港引发的紧张局势。

Partly because it **was confined 限制；禁闭；使局限 mainly to** the lower classes 下层社会；底层阶级 of Hong Kong /and partly because the new Canton government publicly disapproved (v.)不赞成；反对 of it, this civil unrest 内乱；社会动荡；民众骚乱 was short-lived.

Although they supported the revolution, the Chinese elites of Hong Kong were determined not to let it harm (v.) Hong Kong's economic and political stability.

Shortly after the revolution, Ho Kai and Wei Yuk, the two Chinese unofficial members of the Legislative Council, voted for an amendment 修正案；修改 to the Peace Preservation Ordinance 治安条例；和平维护法令 authorizing 授权；批准 the flogging 鞭打；鞭刑 of rabble(乌合之众；暴民)-rousers 煽动闹事者；蛊惑民心的人 in the local jail.

Example 9. 案例
rabble

→ 可能来自拟声词，模仿喧闹声，吵闹声，-le,表反复。后用于形容没有组织的乌合之众。

Table 1. In 1912 *the registrar general* reported that /although 主 *the “excitement* 后定说明 bred (v.) of the Revolution” in China *and an “unintelligent passion* for politics” 谓 had posed (v.) ① *an “element* of danger” ② *and “opportunity* for the unscrupulous,” 主 the “unostentatious work of the gentlemen” on the District Watch Committee 谓 “helped in no small degree 宾 *the observance* of the Colony’s regulations *and the keeping* of the peace.”

Header 1	Header 2
the “excitement 后定说明 bred (v.) of the Revolution”	“革命引发的兴奋情绪”。 我问: 牛津词典中, bred 好像没有带of 的用法, 那这里 为什么会写成 bred of ? v. n. **breed** /briːd/ (**bred bred** /bred/) 1. [V] (of animals动物) to have sex and produce young交配繁殖 • Many animals breed only at certain times of the year.很多动物只在一年的某个时候交配繁殖。 ——see also interbreed 2. [VN] ~ sth (for/as sth) to keep animals or plants in order to produce young ones in a controlled way 饲养，培育（动植物） • The rabbits are bred for their long coats.饲养兔子是为了获取他们的长毛。 ——see also cross-breed , pure-bred , thoroughbred 3. [VN] to be the cause of sth孕育；导致 • Nothing breeds success like success.一事成功万事亨通。 4. [VN] [usually passive] ~ sth into sb to educate sb in a particular way as they are growing up以...方式教育；使养成 • Fear of failure was bred into him at an early age.他从小就养成了对失败的恐惧。 ——see also well bred IDM see bornv. , familiarity ▶ chatGPT: bred 确实是 excitement 的后置定语。不过这里的 bred of 看起来有点怪，是因为**它属于一种 比较文学化、稍微古典一点的表达方式，在现代词典的简化释义里不一定单独列出来。** 除了字典里最常见的“繁殖、培育”，它还有一个抽象意义： breed = cause / produce / give rise to（引起、滋生） 例如： • Fear breeds suspicion. 恐惧会滋生猜疑。 • Success breeds confidence. 成功会带来自信。 所以： • the excitement bred by the Revolution = 革命引发的兴奋情绪 那为什么本书句中是 bred of，而不是 bred by？

Header 1	Header 2
	这里其实是一个比较老一点、稍微书面化的搭配： **breed (v.) of = arise from / spring from** **意思是："源自于……而产生"** **这种 of 带的是一种"来源、起源"的意味。** 类似的表达在文学或历史写作里能看到，比如： • hatred **bred (v.) of** ignorance （源于无知的仇恨） • courage **bred (v.) of** desperation （绝境中产生的勇气） **这种 of 在现代英语里有时会换成 by 或 from，但历史叙述和正式文体仍然会用。** 所以这部分结构可以理解为： the excitement 后定说明 **bred (v.) of** the Revolution ≈ the excitement 后定说明 **caused by** the Revolution ≈ the excitement 后定说明 **arising from** the Revolution 整个句子其实很有殖民地官僚语气的味道。如果稍微翻译得自然一点，大概是： 1912年，华民政务司报告说，中国革命所激起的"政治热情"以及一种"缺乏理性的政治狂热"确实带来了某种"危险因素"，并给"不法之徒"提供了机会；但区街巡查委员会那些"低调而踏实的绅士们"的工作，在很大程度上帮助维持了殖民地法规的遵守和社会秩序。 --- ▶ Gemini: 你发现牛津词典里没有直接列出 bred of 这个固定词组，是因为这里的 **of 其实是跟着"来源"走的。**在文学和正式文体中，**breed（繁殖/产生）的过去分词 bred 经常和 of 连用，用来表示"源于……"或"由……所引起"**。 为什么用 of 而不是词典里的 into 或 for？ 在古英语或正式文学中，of 常用来表示来源（source）。 **你可以把 bred of 理解为 "born (v.) of" 或 "arising from"。** • 词典里的用法： 侧重于具体的"饲养方式"或"教育输入"（如 bred (v.) into him）。 • 本文的用法： 借用了"繁殖、孕育"的本意，引申为"产生"。就像动物繁育后代一样，革命这个环境"孕育"出了这种兴奋感。 又例: • Hatred **bred (v.) of** ignorance. 这种恨意是由于无知而产生的。（无知孕育了恨） • Confidence **bred (v.) of** experience. 自信心是从经验中培养出来的。（经验孕育了自信） **这些例子中的 of 都指向了那个"母体"或"根源"。** 总结: - **bred into sb 灌输到……里面** (外部 → 内部 (教育)) - **bred for sth 为了……而饲养** (动作 → 目的 (目的)) - **bred of sth 源自于……** (源头 → 产物 (来源)) **bred (v.) of** the Revolution = "这场革命的产物"。

Header 1	Header 2
opportunity for the unscrupulous (a.)	the unscrupulous：**`the + 形容词" 表示一类人，即"无耻之徒、肆无忌惮的人*"。**
District Watch Committee	街坊保安委员会。这是19世纪中叶在香港成立的、由华人绅商领导并部分资助的辅助性治安组织，负责华人社区的巡逻和治安，是殖民地政府与华人社群之间的重要桥梁。

Partly because it was confined mainly to the lower classes of Hong Kong and partly because the new Canton government publicly disapproved of it, this civil unrest was short-lived.
Although they supported the revolution, the Chinese elites of Hong Kong were determined not to let it harm Hong Kong's economic and political stability.
Shortly after the revolution, Ho Kai and Wei Yuk, the two Chinese unofficial members of the Legislative Council, voted for an amendment to the Peace Preservation Ordinance authorizing the flogging of rabble-rousers in the local jail.
In 1912 the registrar general reported that although the "excitement bred of the Revolution" in China and an "unintelligent passion for politics" had posed an "element of danger" and "opportunity for the unscrupulous," the "unostentatious work of the gentlemen" on the District Watch Committee "helped in no small degree the observance of the Colony's regulations and the keeping of the peace."16 Still, the wake of the revolution left the colonial government anxious about revolutionary activities in China and Hong Kong.
In 1913, Governor May pushed through his Education Bill, which required all private schools to register with the government.
Although May claimed that his intention was to improve the standard of education in these schools, his correspondence with the Colonial Office shows that he was trying to keep schools from becoming centers for anti-British propaganda.
The Seditious Publications Ordinance of 1914 was aimed at any publications that might undermine the stability of Hong Kong or China. 这场骚乱部分原因是其主要局限于香港的下层阶级, 部分原因是新成立的广州政府公开反对, 因此持续时间很短。尽管香港的华人精英支持革命, 但他们决心不让革命损害香港的经济和政治稳定。革命后不久, 立法会两位华人非官方议员何佳和魏玉投票赞成修改《治安条例》, 授权在当地监狱鞭打煽动者。1912 年, 总登记官报告称, 尽管中国"革命带来的激动情绪"和"对政治的盲目热情"构成了"危险因素"和"不法之徒的可乘之机", 但地区治安委员会"各位先生的默默工作""在很大程度上促进了殖民地规章的遵守和治安的维护"。 16 然而, 革命的余波令殖民政府对中国内地和香港的革命活动感到担忧。1913 年, 梅总督强行通过了《教育条例》, 要求所有私立学校向政府登记。尽管梅声称其目的是为了提高这些学校的教育水平, 但他与殖民地事务部的往来信件表明, 他试图阻止学校成为反英宣传的中心。1914 年的《煽动性出版物条例》旨在禁止任何可能破坏香港或中国稳定的出版物。

1911年辛亥革命被整个华人世界视为中国历史上光辉的一页。然而, 如同大多数革命一样, 它带来的问题与解决的问题一样多。1912年3月接替孙中山担任国家主席的袁世凯, 这位陆军统帅却无力维系这个年轻的共和国。尽管袁世凯致力于维护秩序和统一, 并推动中国现代化, 但他同样也致力于巩固自身权力。1913年, 他刺杀了国民党领袖, 并镇压了孙中山在五个分离省份领导的第二次共和革命。次年, 袁世凯废除了省议会。1915年, 在一位美国政治学家的劝说下, 袁世凯认为中国尚未做好接受民主的准备, 于是宣布自己为中华帝国皇帝。甚至在袁世凯1916年去世之前, 中国的权力就已经开始向军阀或军事领导人手中转移, 他们成为了新的权力掮客。中国的政治分裂局面一直持续到20世纪20年代末。

1911年辛亥革命未能使中国成为一个稳定的共和国, 这对香港产生了两个重要影响。到1913年, 许多香港华人对孙中山失去了热情, 他在当年6月访问香港时也几乎无人理睬。事实上, 香港政府和当地华人精英都对袁世凯镇压孙中山的第二次辛亥革命表示欢迎。辛亥革命造成的麻烦实在太多：每天都有难民从中国大陆涌入, 到1914年, 香港人口已达50万。辛亥革命也从根本上改变了香港与中国的政治关系。由于北京政府名义上统治中国, 香港政府不得不直接与广州的多个政权打交道, 其中一些政权试图破坏香港的政治和经济稳定。然而, 由于英国外交部仍然承认北京的执政者是中国的合法政府, 这常常导致英国外交部与香港政府之间的摩擦。
