1. The Strike-Boycott of 1925–1926 /1925-1926年的罢工抵制运动

The most significant event of the interwar period was the strike-boycott 罢工联合抵制 of 1925–1926, which showed /how the revolutionary nationalist movements in China could affect (v.) Hong Kong.

On May 30, 1925, Sikh 锡克教徒的 police under British command 指挥；管制 **opened fire** on a crowd of Chinese demonstrators 示威者 in the International Settlement (定居点, 聚居地 ；殖民, 开拓)公共租界 of Shanghai.

At least 9 demonstrators were killed, and many others were wounded.

News of this so-called *May Thirtieth Incident* 五卅事件 spread (v.) like wildfire, prompting 促使；导致 protests *all across China /but especially in the two cities* where British interests were most heavily concentrated (a.v.), Shanghai and Canton.

On June 23, during *a particularly heated (a.)激烈的,加热的 demonstration* in Shamian 地名 (known to Europeans as Shameen), the British and French concession 租界 in Canton, 主 troops 军队 under foreign command 谓 killed more than 50 Chinese protesters and wounded (v.) almost 120 more.

As news of the massacre 大屠杀 spread (v.), labor and union leaders in Canton **called for** 呼吁 a general strike in southern China —especially in Hong Kong, the most visible example of British imperialism 帝国主义.

Kuomintang 国民党 leaders and their Soviet 苏联的 advisors 谓 even considered attacking (v.) the International Settlement in Shamian.

Example 1. 案例
我问:这里为什么是considered attacking 而没用 considered to attack?

► ChatGPT:

因为 consider 只有两个不同结构：

- **consider doing something 考虑做某事** (consider 在“考虑做某事”这个意义上, 英语几乎总是接 -ing。)
  They considered (v.) moving to Shanghai.
- **consider someone/something to be...** 认为某人/某物是.....
  They considered (v.) him to be unreliable.

Header 1	Header 2
	因为 consider 这个动词在表示“考虑做某事”时, 英语有一个非常固定的搭配： **consider + doing something** 也就是说, consider 后面通常接动名词（-ing）, 而不是不定式 to do。 **这个小语法点其实也反映了英语的一种思维习惯：** **-ing 形式常常表示一种“还停留在想法阶段”的动作。** 所以： - consider **attacking** → 在脑子里权衡 - decide **to attack** → 已经下决心
为什么不能说 considered to attack？	因为 consider + to do 是错的, 在英语里它通常是另一种结构： **consider + 宾语 + to do** 例如： • They considered him to be a genius. 他们认为他是个天才。 • She is considered to be the best candidate. 她被认为是最佳候选人。 **这里的 to be 属于 宾语补足语结构, 意思是“认为..... 是.....”。** 但如果没有宾语, 只写： considered to attack 语法就不成立, 因为 to attack 没有依附对象。

► DeepSeek:

动词 consider 表示“考虑、思考”时, 后面如果要接一个动作, 必须接动名词 (V-ing) 作宾语, 不能接不定式 (to do)。

- consider"**仅仅停留在思考评估阶段, 尚未形成决定", 所以用表示“事情本身”的动名词 doing。**
- 而decide/plan/hope都"**表示思考后形成的确定意图或决定", 指向未来的具体行动, 所以用表示“将要去做”的不定式 to do。**

在您的句子中, 国民党领导人只是在“考虑、评估”攻击租界这个想法, 并未最终决定实施, 因此必须用 considered attacking。

Anti-British pamphlets 小册子 and placards 标语牌 in Hong Kong implored (v.)恳求；请求 Chinese to rise up 起义；奋起 and drive out 驱逐 the British colonialists 殖民主义者 and their Chinese “hunting dogs 猎犬.”

Strike leaders in Canton **called on** 号召 all Chinese to leave Hong Kong, spreading (v.) rumors 谣言 that the colonial government planned to poison (v.) the colony’s water

supplies /and offering free passage 通行；航程 to Canton by train or steamer 轮船.

On May 30, 1925, Sikh police under British command opened fire on a crowd of Chinese demonstrators in the International Settlement of Shanghai.
At least 9 demonstrators were killed, and many others were wounded.
News of this so-called May Thirtieth Incident spread like wildfire, prompting protests all across China but especially in the two cities where British interests were most heavily concentrated, Shanghai and Canton.
On June 23, during a particularly heated demonstration in Shamian (known to Europeans as Shameen), the British and French concession in Canton, troops under foreign command killed more than 50 Chinese protesters and wounded almost 120 more.
As news of the massacre spread, labor and union leaders in Canton called for a general strike in southern China—especially in Hong Kong, the most visible example of British imperialism.
Kuomintang leaders and their Soviet advisors even considered attacking the International Settlement in Shamian.
Anti-British pamphlets and placards in Hong Kong implored Chinese to rise up and drive out the British colonialists and their Chinese "hunting dogs." Strike leaders in Canton called on all Chinese to leave Hong Kong, spreading rumors that the colonial government planned to poison the colony's water supplies and offering free passage to Canton by train or steamer. 两次世界大战之间最重要的事件是1925-1926年的罢工抵制运动, 它展现了中国革命民族主义运动如何影响香港。1925年5月30日, 受英国指挥的锡克教警察在上海公共租界向一群中国示威者开枪。至少9名示威者被杀, 多人受伤。这一被称为"五三十事件"的消息迅速传开, 引发了中国各地的抗议活动, 尤其是在英国利益最为集中的两个城市——上海和广州。6月23日, 在广州沙面（欧洲人称之为沙敏）——英法租界——的一次特别激烈的示威活动中, 外国军队杀害了50多名中国示威者, 并造成近120人受伤。随着屠杀事件的蔓延, 广州的劳工和工会领袖呼吁在华南地区——尤其是在英国帝国主义最显眼的香港——举行总罢工。国民党领导人及其苏联顾问甚至考虑过袭击沙面公共租界。香港的反英传单和标语呼吁中国人奋起反抗, 驱逐英国殖民者及其中国"猎犬"。广州的罢工领袖号召所有中国人离开香港, 散布谣言称殖民政府计划毒害香港的水源, 并承诺提供免费的火车或轮船前往广州。

In the first two weeks after the massacre 大屠杀 in Shamian, more than 50,000 Chinese left Hong Kong in protest 抗议；反对.
Food prices soared (v.)猛增；飙升, prompting a *run on banks* 银行挤兑,挤提存款.
Hong Kong's economy nearly came to a halt, and by early July /the colony was "like a ghost town 空城；鬼城."

Pickets 纠察队员；示威警戒人员 in Canton prevented strikers from returning to Hong Kong.
On July 10, Stubbs wrote that "all regular trades are practically 实际上；几乎 at a standstill 停滞；停顿."
The police had been deporting 驱逐；放逐 vagabonds 流浪者；无业游民 and other "undesirables 不受欢迎的人；不良分子."
By the end of July, some 250,000 Chinese had left for Canton.

Example 3. 案例
vagabond

(old-fashioned disapproving) a person who has no home or job and who travels from place to place 流浪汉；无业游民；漂泊者

→ 来自拉丁语vagabundus,漫游, 流浪, vag-, 漫游, 词源同 vagus([解剖] 迷走神经), -bundus, 拉丁语动名词后缀, 词源同 be. 参见extravagant.

On September 18, Stubbs **described** the colony’ s financial situation **as** “most serious.”
One prominent Chinese bank had already **gone into liquidation** 清算；破产清算, other firms were **on the verge of** bankruptcy 破产, and Stubbs feared that /more would **follow suit** 跟着做；效仿.

Example 4. 案例
liquidation

→ 来自拉丁语liqui,融化, 流动。
来源于拉丁语中由动词liquere(在液体状态)派生的形容词liquid.us(液体的)。 词根词缀： -liqu-液体 + -id形容词词尾

The Chinese Chamber of Commerce 商会 had **asked for** a trade loan 贸易贷款 from the British government.

Although *the worst was over* by early 1926, the strike lasted (v.) for more than a year, and the British government had to provide a *trade loan* 贸易贷款 of three million pounds to prevent (v.) the colony’ s economy from collapsing.

And even after the strike itself ended, 主 the accompanying 伴随的；相应的 boycott against British goods , which helped make the strike so devastating 毁灭性的；破坏力极大的, 谓 lasted (v.) for several more months.

Example 5. 案例

In the first two weeks after the massacre in Shamian, more than 50,000 Chinese left Hong Kong in protest.
Food prices soared, prompting a run on banks.
Hong Kong’ s economy nearly came to a halt, and by early July the colony was “like a ghost town.” 17 Pickets in Canton prevented strikers from returning to Hong Kong.
On July 10, Stubbs wrote that “all regular trades are practically at a standstill.” The police had been deporting vagabonds and other “undesirables.” 18 By the end of July, some 250,000 Chinese had left for Canton.
On September 18, Stubbs described the colony’ s financial situation as “most serious.” 19 One prominent Chinese bank had already gone into liquidation, other firms were on the verge of bankruptcy, and Stubbs feared that more would follow suit.

The Chinese Chamber of Commerce had asked for a trade loan from the British government.
Although the worst was over by early 1926, the strike lasted for more than a year, and the British government had to provide a trade loan of three million pounds to prevent the colony’s economy from collapsing.
And even after the strike itself ended, the accompanying boycott against British goods, which helped make the strike so devastating, lasted for several more months. 沙面惨案发生后的头两周, 超过五万名中国人离开香港以示抗议。食品价格飙升, 引发银行挤兑。香港经济几乎停滞, 到七月初, 这座殖民地“宛如一座鬼城”。 17 广州的纠察队阻止了罢工者返回香港。7 月 10 日, 斯塔布斯写道：“所有正规行业实际上都处于停滞状态。” 警察一直在驱逐流浪汉和其他“不受欢迎的人”。18 到 7 月底，约有 25 万华人前往广州。9 月 18 日, 斯塔布斯形容香港的财政状况“极其严峻”。19 一家著名的华人银行已经破产清算, 其他公司也濒临破产, 斯塔布斯担心会有更多公司步其后尘。中华总商会已向英国政府申请贸易贷款。尽管最糟糕的时期在 1926 年初已经过去, 但罢工持续了一年多, 英国政府不得不提供 300 万英镑的贸易贷款, 以防止香港经济崩溃。即使罢工本身结束后, 随之而来的抵制英国商品的运动（这使得罢工造成了如此巨大的破坏）又持续了几个月。

Governor Stubbs and his successor, Clementi, were adamant (a.)坚决的；坚定的 that /the strike was directed 指导；管理 by Bolshevik 布尔什维克的 agitators 煽动者；鼓动者 in Canton and their Soviet 苏联的 advisors /and **had nothing to do with** economic or political conditions in the colony.

Stubbs *in particular* 特别地,尤其,特别是 has often **been criticized for** not understanding (v.) the political situation in China **and for** failing to differentiate (v.)区分；辨别 between Chinese nationalism 民族主义 and Communism 共产主义, but he was not necessarily exaggerating 夸大；夸张 the extent 程度；范围 of these influences from Canton.

尤其是 Stubbs, 经常被批评不了解中国的政治局势, 也未能区分中国民族主义与共产主义, 但他对来自广州的这些影响程度的描述, 未必是夸大其词。

我问:这里为什么用的是 he was not necessarily exaggerating 而不是 he didn’t necessarily exaggerat？

► DeepSeek:

Header 1	Header 2
did not exaggerate (一般过去时):	仅仅陈述一个事实——“他没有夸大”。这是一个对行为结果的简单否定, 不涉及行为过程或性质。
was not exaggerating (过去进行时)：	英语的进行时态, 常用来描述一个动作在特定背景下的"状态或性质", 而不仅仅是记录"动作的发生"。例如： • You are not helping.(你这不是在帮忙。) → **描述“你现在的行为”性质上是“无益的”，而非单纯说“你没帮上忙”。** • He was not lying.(他当时没说谎。) → 强调“他当时说的话”在性质上是“真实的”，比 He didn’t lie.更能捍卫他话语的性质。 • He was not exaggerating. **将焦点从“他这个人是否做了夸大这件事”，转移到“他所作出的那个具体判断/陈述的性质”上。**

又例:

did（一般过去时）	was/were + doing（进行时）
did/didn’t do：**客观陈述一个动作“做没做”。**焦点是事实结果。	was/were (not) doing：描述或定性一个动作“在当时是怎样的”。**焦点是行为过程的性质、**方式或即时状态，常带有主观评价色彩。 was/were (not) doing结构是英语中一个非常有力的工具，**用于剥离行为本身，转而聚焦于行为的性质、**意图或即时状态。在需要做出精细区分、定性评价或即时辩护的语境中（如学术批评、法律辩护、日常解释），它的表现力远超简单的一般过去时。
• The witness didn’t lie. (证人没有说谎。) → 客观陈述**“说谎”这个动作没有发生。**这是一个事实判断。	• The witness was not lying. (证人当时没说谎。) → 描述“证人当时的陈述行为”的**性质是“诚实的”。**这是在为其证词的性质辩护。
• In that remark, you didn’t help. (你刚才那句话没帮上忙。) → 客观陈述“帮忙”这个结果没有达成。听起来更像一个中性的结果汇报。	• In that remark, you were not helping. (你刚才那句话不是在帮忙。) → 评价“你说那句话的行为”**性质上是**“无益的、帮倒忙的”。焦点是言行的效果。
• I didn’t complain. (我没有抱怨。) → 只是陈述“抱怨”这个动作没有发生。缺乏对行为性质的即时界定。	• I wasn’t complaining, just stating a fact. (我不是在抱怨，只是在陈述事实。) → 定义自己“刚才说话的行为”的性质是“陈述”而非“抱怨”。这是在即时澄清意图。
• He just tried to be funny. (他试了试想搞笑。) → 客观陈述他“尝试搞笑”这个事实，不涉及其行为在当下情境中的性质。	• He was just trying to be funny. (他只是想搞笑一下。) → 解释他“当时行为”的意图和性质是“出于幽默”，可能为冒犯性言语开脱。
• All those years, she sacrificed for the family. (那些年，她为家庭做出了牺牲。) → 客观陈述“牺牲”这个事实，评价意味较弱。	• All those years, she was sacrificing for the family. (那些年，她一直是在为家庭牺牲。) → 将“她多年的行为”定性为一种“牺牲”，带有强烈的情感认同和评价。
• When you said nothing, you agreed by default. (你当时一言不发，就等于默认同意了。) → 逻辑上与右边句相同，但听起来更像一个逻辑推论的结果，而非对行为本身的即时定性。	• When you said nothing, you were agreeing by default. (你当时一言不发，就等于默认同意了。) → 将“沉默”这个行为状态定性为“默认同意”。这是对行为法律/道德性质的判定。

► Gemini：

Header 1	Header 2
didn’t exaggerate (一般过去时)：听起来更像是在评价某**一个具体的、一次性的行为。**	was not exaggerating (过去进行时/状态描述)：暗示司徒拔当时对广州形势的"**持续性判断**". exaggerating 在这里不仅是动词，它更像是在描述一种**“程度的准确性”。**
He didn’t exaggerate. (事实判断). 他没有说假话（非黑即白）。	He was not exaggerating. (性质评估). 他的描述（在当时那种语境下）并不算过分。
The doctor didn’t exaggerate the illness. (他没说错。)	The doctor was not exaggerating the danger. (医生当时的这种危机感/描述状态，并不是在夸张。)

► ChatGPT:

有一个小语言感觉可以帮助理解：
- **exaggerate 更像一个“动作”，***
- ***而 exaggerating 更像一种“行为状态”。**

所以：
- He didn’t lie.（直接判断事实）
- He wasn’t lying.（强调当时的行为状态）

作者显然想表达第二种。

Even before the strike, left-wing intellectuals 知识分子 and union organizers had tried to encourage (v.) nationalist sympathies 同情；赞同 in Hong Kong by distributing 分发；散发 handbills 传单 urging 力劝；敦促 workers to strike.

Nor were Stubbs and Clementi exaggerating (v.) the importance of funding 资金；资助 from outside the colony.

The bulk 大部分；主体 of the financial support 谓 **came from** the revolutionary Kuomintang government in Canton, with other funds **coming from** overseas Chinese, Russian workers, and an anonymous 匿名的 British trade union.

And the colonial government had another reason to convince 说服；使确信 the British government that /the strike **had nothing to do with** conditions 状况、条件 in Hong Kong **or with** the Chinese business community: many people in Britain believed that /the strike represented (v.)代表；象征 *a just 正义的 revolt* 反抗；起义 of workers *against* conditions 后定说明 that ① had long been abolished 废除；取消 in England /② and were unsympathetic (a.)不同情的；冷漠的 toward the European expatriates 侨民；移居国外者 in Hong Kong.

并且殖民地政府有另一个理由 (这个理由是为了说服英国政府：这次罢工与香港的状况或与华人商界无关) (这个“无关”是因为)：英国的许多人相信, 这次罢工代表着工人的一场正当反抗 (这个反抗是针对状况的, 这个状况是在英国早已被废除的, 并且是对香港的欧洲侨民缺乏同情的)。

Example 7. 案例

that引导的定语从句：that had long been abolished... and were unsympathetic...是一个并列的定语从句, 修饰 conditions。**关系代词 that在从句中作主语。从句有两个谓语：had been abolished和 were unsympathetic。**

Example 8. 案例

Governor Stubbs and his successor, Clementi, were adamant that the strike was directed by Bolshevik agitators in Canton and their Soviet advisors and had nothing to do with economic or political conditions in the colony.
Stubbs in particular has often been criticized for not understanding the political situation in China and for failing to differentiate between Chinese nationalism and Communism, but he was not necessarily exaggerating the extent of these influences from Canton.
Even before the strike, left-wing intellectuals and union organizers had tried to encourage nationalist sympathies in Hong Kong by distributing handbills urging workers to strike.
Nor were Stubbs and Clementi exaggerating the importance of funding from outside the colony.
The bulk of the financial support came from the revolutionary Kuomintang government in

Canton, with other funds coming from overseas Chinese, Russian workers, and an anonymous British trade union.
And the colonial government had another reason to convince the British government that the strike had nothing to do with conditions in Hong Kong or with the Chinese business community: many people in Britain believed that the strike represented a just revolt of workers against conditions that had long been abolished in England and were unsympathetic toward the European expatriates in Hong Kong.

总督司徒志及其继任者金文泰坚称, 罢工是由广州的布尔什维克煽动者及其苏联顾问策划的, 与香港的经济或政治状况毫无关系。司徒志尤其常因不了解中国的政治局势, 以及未能区分中国民族主义和共产主义而受到批评, 但他未必夸大了广州的影响程度。早在罢工之前, 左翼知识分子和工会组织者就已试图通过散发传单, 敦促工人罢工, 从而在香港煽动民族主义情绪。司徒志和金文泰也并未夸大来自殖民地以外资金的重要性。大部分资金来自广州的国民党革命政府, 其他资金则来自海外华人、俄国工人以及一个匿名的英国工会。殖民政府还有另一个理由来说服英国政府, 罢工与香港的状况或中国商界无关：许多英国人认为, 罢工代表着工人对英国早已废除的、对在香港的欧洲侨民缺乏同情心的状况的正义反抗。

Why did the strike become so powerful? Although it was sparked 触发；引发 by events in China, the strike **derived** 从……衍生出, 源于；（从……中）获得；取得 part of its local force **from** genuine (a.)真正的；真实的 economic concerns **and from** *the popular feeling* against *the privileged 有特权的；享受特权的 status* of foreigners.

This was apparent (a.) from *the demands* of the strike commission, *which* **apart from** standard issues 标准议题 —such as *an eight-hour workday* 工作日, the abolition 废除；废止 of *contract (合同；契约)契约劳工,包身工 and child labor*, *freedom of speech and press* (新闻；报刊)言论与出版自由, *the right to organize* 组织权, and *reductions 减少；降低 in rent* 租金 —also had a strong local component 组成部分；要素：that labor unions be allowed **to vote (v.) for** a Chinese member on the Legislative Council /and that Chinese **be treated as** the equal of Europeans /and be able to live (v.) on the Peak.

这一点从罢工委员会的要求中是显而易见的 (这个要求除了标准议题之外——例如八小时工作制、废除包身工和童工、言论与出版自由、组织权以及减租——也包含一个强烈的本地成分：工会应被允许在立法局投票选举一名华人议员，并且华人应被视作与欧洲人平等, 并且能够居住在山顶区)。

Second, although many Chinese **left** (v.) Hong Kong **for** Canton to show their nationalism 民族主义 and patriotism 爱国主义, others left because they were pressured 被迫；承受压力 to do so, while 主 those who tried to return to Hong Kong 谓 could not.

其次，尽管许多中国人离开香港前往广州以彰显其民族主义与爱国情怀，但也有人是迫于压力才离开，而那些试图重返香港的人却无法如愿。

尽管粤港边境沿线的许多农村县份，支持罢工与抵货运动，但农民往往抵制这一抵货行动，以及禁止向香港出售农作物和鱼类的相关规定。

Example 10. 案例

Why did the strike become so powerful? Although it was sparked by events in China, the strike derived part of its local force from genuine economic concerns and from the popular feeling against the privileged status of foreigners.

This was apparent from the demands of the strike commission, which apart from standard issues—such as an eight-hour workday, the abolition of contract and child labor, freedom of speech and press, the right to organize, and reductions in rent—also had a strong local component: that labor unions be allowed to vote for a Chinese member on the Legislative Council and that Chinese be treated as the equal of Europeans and be able to live on the Peak.
Second, although many Chinese left Hong Kong for Canton to show their nationalism and patriotism, others left because they were pressured to do so, while those who tried to return to Hong Kong could not.
In early February 1926, Clementi reported that the strike pickets had intensified their aggression against Hong Kong.
They were shooting at Indian troops on the Hong Kong side of the border and at police launches in the Shenzhen River between Hong Kong and China, blocking trains to and from China, and preventing villagers from crossing back into Hong Kong.
And in Guangdong, the general strike was limited mainly to the city of Canton and its environs.
Although many of the rural counties along the Guangdong-Hong Kong border supported the strike-boycott, peasants often resisted the boycott and its restrictions against selling crops and fish to Hong Kong. 这场罢工为何如此声势浩大？尽管其导火索是中国发生的事件, 但其在香港的影响力部分源于民众对经济的切实关切以及对外国人特权的强烈不满。这一点从罢工委员会的诉求中可见一斑。除了八小时工作制、废除契约劳工和童工、言论和出版自由、组织权以及降低租金等常规诉求外, 这些诉求还包含强烈的本地化内容：允许工会投票选举一名华人议员进入立法会, 以及华人应享有与欧洲人平等的待遇, 并获准居住在太平山顶。其次, 虽然许多华人离开香港前往广州是为了表达他们的民族主义和爱国情怀, 但也有一些人是迫于压力离开的, 而那些试图返回香港的人则无法返回。1926年2月初, 克莱门蒂报告称, 罢工纠察队加大了对香港的攻击力度。他们向香港一侧的印度军队开火, 并向香港与中国大陆之间深圳河上的警察巡逻艇开火, 封锁往返中国大陆的火车, 阻止村民返回香港。在广东, 总罢工主要局限于广州市及其周边地区。尽管粤港边境的许多农村县都支持罢工抵制, 但农民们往往抵制抵制及其对向香港出售农作物和鱼类的限制。

Having anticipated 预期；预料 such a strike /ever since the seamen’s strike of 1922, the colonial government had taken precautions 预防措施；防备 by increasing the garrison 驻军；卫戍部队, improving intelligence gathering 情报收集, and building supply depots 仓库；补给站 for coal 煤.

Although Stubbs inflamed 激起；加剧；使恶化 local tensions by overreacting 反应过度 **rather than** trying to understand the cause of the strike, 主 the emergency measures that he passed 谓 may have prevented the strike from expanding.

Under *the Peace Preservation Ordinance* 治安条例；和平维护法令 and *the Emergency Ordinance* 紧急法令 that had been enacted 制定；颁布；通过 during the 1922 strike, Stubbs declared *a state of emergency* 紧急状态, mobilizing 动员；调动 volunteers and prohibiting 禁止；不准 the export of foodstuffs 食品；粮食 and money.

根据1922年罢工期间颁布的《治安条例》与《紧急状态条例》，Stubbs 宣布进入紧急状态，动员志愿人员，并禁止粮食与货币外流。

Stubbs also granted 同意；准予 Chinese bankers their request for a moratorium (n.)暂停；延期偿付 on Chinese banks.

我问: 这里的 persuade 可以当作虚拟语气, 后面的动词用动词原型, 写成 persuade the Foreign Office bribe (动词原形) the Beijing government 吗?

► Gemini :

不可以。虽然你可能记得 suggest、order、demand（建议、命令、要求）这类动词后面可以接虚拟语气（使用动词原形），但 persuade 这个词在英语语法中有着非常固定的搭配结构: persuade sb to do sth.

你提到的“省略 should 的动词原形”用法，通常只适用于命令、建议、要求类动词（如 suggest, recommend, insist, demand, order）。 这类动词的逻辑： 我“要求”这件事发生（这件事还没发生，带有强制性或主观愿望）。

persuade 的逻辑： 它侧重于沟通的过程。虽然司徒拔（Stubbs）在建议/要求（tried to... persuade），但 persuade 本身的用法并不触发那种特殊的从句虚拟结构。

Having anticipated such a strike ever since the seamen’ s strike of 1922, the colonial government had taken precautions by increasing the garrison, improving intelligence gathering, and building supply depots for coal.
Although Stubbs inflamed local tensions by overreacting rather than trying to understand the cause of the strike, the emergency measures that he passed may have prevented the strike from expanding.
Under the Peace Preservation Ordinance and the Emergency Ordinance that had been enacted during the 1922 strike, Stubbs declared a state of emergency, mobilizing volunteers and prohibiting the export of foodstuffs and money.
Stubbs also granted Chinese bankers their request for a moratorium on Chinese banks.
He limited the amount of currency that could be taken out of the colony, dispatched policemen to guard water supplies, sent troops to operate the Star Ferry and patrol the streets, closed schools early for summer vacation, and imposed a curfew.
He also ordered the main Chinese and European department stores to remain open for at least four hours per day.
In July, he authorized all Chinese mail and telegrams to be censored.
He also ordered the secretary for Chinese affairs to examine and censor all Chinese newspapers.
Three workers in shifts from dawn to dusk worked to remove any seditious or prostrike material, and no group related to the strike was allowed to place advertisements in the newspapers.
Stubbs also tried to use public and private funds to assist Chinese antirevolutionary forces in Canton and to persuade the Foreign Office to bribe the Beijing government into wiping out the revolutionary government in Canton. 自1922年海员罢工以来, 殖民政府就预料到会发生类似的罢工, 并采取了预防措施, 包括增加驻军、加强情报收集以及修建煤炭供应站。尽管斯塔布斯反应过度, 没有试图了解罢工的起因, 反而加剧了当地的紧张局势, 但他颁布的紧急措施或许阻止了罢工的蔓延。根据1922年罢工期间颁布的《维护和平条例》和《紧急状态条例》, 斯塔布斯宣布进入紧急状态, 动员志愿者并禁止食品和货币出口。斯塔布斯还批准了华人银行家提出的暂停营业的请求。他限制了可以带出殖民地的货币数量, 派遣警察守卫供水系统, 派兵运营天星小轮并巡逻街道, 提前放暑假, 并实施宵禁。他还命令主要的华人百货商店和欧洲百货商店每天至少营业四个小时。 7月, 他下令审查所有中国邮件和电报。他还命令中国事务秘书审查所有中文报纸。三名工人从早到晚轮班工作, 清除任何煽动性或支持罢工的材料, 任何与罢工有关的团体都不得在报纸上刊登广告。斯塔布斯还试图利用公共和私人资金援助广州的中国反革命势力, 并试图说服外交部贿赂北京政府, 以铲除广州革命政府。

For supporting the colonial government during the strike, Chow and Kotewall were branded in Canton as “running dogs” of the British imperialists.
Like other Chinese and Eurasian businessmen in Hong Kong, one reason the two helped the government end the strike was of course to protect their own interests.
However, this was more than an issue of protecting class interests: the two saw the strike as an ideological and economic war launched by Canton against Hong Kong.
Fighting the strike meant protecting the colony that they had helped fashion from the fabled barren rock and preserving a new way of life that they had helped shape.
Nor did these men see collaborating with the British as betraying China.
Because they viewed the Canton government as radical leftists, they considered working with the colonial government to stop the strike as a sign both of their loyalty to Hong Kong and of their patriotism to China.

周永康和郭德华因在罢工期间支持殖民政府, 在广州被贴上了英国帝国主义“走狗”的标签。与其他在港的华裔和欧亚裔商人一样, 他们二人帮助政府结束罢工的原因之一当然是为了维护自身利益。然而, 这不仅仅是维护阶级利益的问题：他们将罢工视为广州对香港发动的一场意识形态和经济战争。参与罢工意味着保护他们从传说中的贫瘠岩石中一手缔造的殖民地, 并维护他们参与塑造的新生活方式。他们也不认为与英国合作是背叛中国。因为他们视广州政府为激进左派, 所以他们认为与殖民政府合作结束罢工既是对香港的忠诚, 也是对中国的爱国之举。

Well after the strike had ended, groups involved in anti-imperialist movements were forbidden to place advertisements in local newspapers, while news stories from abroad that dealt with imperialism, Communism, or Socialism were edited.

The government was so successful in harassing the Hong Kong branch of the Chinese Communist Party that this discouraged local residents from joining the party (although Hong Kong was where Ho Chi Minh founded the Vietnamese Communist Party in 1930). Whereas in the 1920s Hong Kong had been an important base for Communist activities in Guangdong, after Chiang Kai-shek’s White Terror in 1927 the Hong Kong government worked hard to suppress Communist activities in the colony.
Often acting on tips from Guangdong authorities, the government arrested Communists and deported them to Guangdong, where they were executed.
The combination of Chiang’s suppression of Communism and the Hong Kong government’s “determination to crush any such movement” inhibited the growth of labor unionism in Hong Kong for twenty years.20

Example 24. 案例
我问:这里 recommended that... be placed 用了 be 这个动词原形, 是因为recommend 是虚拟语气吗?

► DeepSeek:

是的，这里的 be placed 确实是 虚拟语气 (Subjunctive Mood) 的用法，其触发词正是 recommended。

在英语中，**当主句的谓语动词表示 “建议、要求、命令、坚持” 等主观意志时，其后的宾语从句，通常使用虚拟语气。这种虚拟语气的标志是：从句的"谓语动词"使用"动词原形"（无论主语是单数还是复数，时态是现在还是过去）。**

核心规则：(should) + 动词原形，且 should 通常被省略。

你的句子：recommended that /more emphasis... be placed...

完整形式应为：recommended that /more emphasis... (should) be placed...
省略 should后，就只剩下动词原形 be。

对比:

Header 1	Header 2	
虚拟语气	He recommended that more emphasis be placed on...	表达一种“建议”或“要求”，**强调主观意愿，而非客观事实。**
陈述语气	He said that more emphasis was placed on...	**表达一个客观发生的事实或状态。**

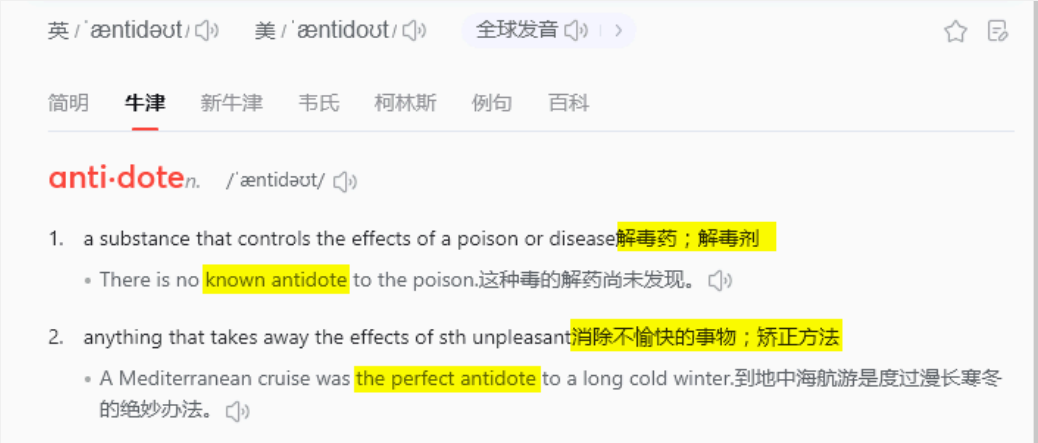
在你的句子中，Kotewall 是在 “建议” 学校应该怎么做，而不是在陈述学校已经做了什么，因此必须使用动词原形 be。

除了 recommend，以下动词也遵循同样的规则（后接 (should) + do）：
建议类：suggest, propose (提议，建议；提出（理论或解释）；提名，推荐；计划，打算；求婚；（向立法机构或委员会）提交（动议）；提议祝（酒）), advise
要求类：demand, require, request, ask
命令/坚持类：order, command, insist

例句：
- I suggest that he go (not goes) to the doctor.
- The teacher demanded that the homework be (not is) finished on time.

antidote

→ anticdote =anti（相反）+dote（药剂）→作用相反的药剂→解药 词源解析：dote←希腊语didonai（给予）←原始印欧词根do（给予） 同源词：dose（一剂药），dosage（剂量）



In 1927, Clementi **encouraged** some of the most distinguished 卓越的；著名的 Chinese scholars in Hong Kong —most of whom had left China after the 1911 revolution and during the May Fourth Movement 五四运动 —**to promote** 促进；提倡 traditional 传统的 Chinese culture and morality 道德；道德准则 in Hong Kong, **promising** 承诺；保证 to provide (v.) government support for a Chinese Department 系；学部 at the University 大学 of Hong Kong to train (v.) teachers for local schools.

By patronizing 资助；扶持 these scholars, Clementi tried **to provide** a cultural, moral, and political alternative 可供选择的方案；替代品 **to** the revolutionary nationalism 民族主义革命 that had inspired 激励；激发 the strikers.

Example 25. 案例

The colonial government also tried to use education to curb the growth of radical nationalism in Hong Kong.
During the general strike, Kotewall recommended that more emphasis in schools be placed on Confucianism as an antidote to the revolutionary nationalism engulfing China.
In 1927, Clementi encouraged some of the most distinguished Chinese scholars in Hong Kong—most of whom had left China after the 1911 revolution and during the May Fourth Movement—to promote traditional Chinese culture and morality in Hong Kong, promising to provide government support for a Chinese Department at the University of Hong Kong to train teachers for local schools.
By patronizing these scholars, Clementi tried to provide a cultural, moral, and political alternative to the revolutionary nationalism that had inspired the strikers.

殖民政府也试图利用教育来遏制香港激进民族主义的蔓延。在大罢工期间, 科特瓦尔建议学校应更加重视儒家教育, 以此对抗席卷中国的革命民族主义。1927年, 金文泰鼓励香港一些最杰出的中国学者——他们大多在1911年辛亥革命和五四运动后离开中国——在香港弘扬中国传统文化和道德, 并承诺政府资助香港大学设立中文系, 为本地学校培养教师。通过扶持这些学者, 金文泰试图为罢工者提供一种文化、道德和政治上的替代方案, 以对抗激发罢工者的革命民族主义。

The strike failed to change the political status of Chinese in Hong Kong, but it showed the government that /its Chinese subjects 国民；臣民 were to be taken seriously.

Example 26. 案例

这里为什么写的是 its Chinese subjects were to be taken seriously. 而不是 its Chinese subjects should to be taken seriously?

► DeepSeek:

Header 1	Header 2
were to be taken seriously(原文用法)	be to do 结构。这里的 were是 be动词的过去式，与 to be taken(不定式的被动式) 结合，构成 be to do 的"过去时被动语态"。 性质：这是一个陈述句，描述一个事实或结果。 这个 **be to do结构（在句中体现为过去时 were to be taken），它不表示“将要”（那是 will或 be going to的职责），而是表示“注定、必须、应该、计划”等带有必然性、义务性或计划性的意味。** were to be taken seriously (原文) 含义：表示“注定/必须被认真对待”。
should to be taken seriously(错误用法)	结构：**should是情态动词，后面必须接动词原形。** 只能写成 should be taken seriously. should be taken seriously (替代写法) 含义：表示“应该被认真对待”。 逻辑：**这通常表达一种主观的建议、义务或责任。如果使用 should，句子的意思会变成听起来像是在给政府提建议，而不是描述罢工产生的实际影响。** **但原文想要强调的是：华人不是"建议应该"(should)被认真对待, 而是"必须"被认真对待(were to be taken seriously).**

又例:

- **He was to become** a great leader.(他注定要成为伟大的领袖。)
  be to do：强调客观的、外部的必然性（如历史规律、命运安排、上级命令）。
- **He should become** a great leader.(他应该成为伟大的领袖。)
  should：强调主观的、内在的义务或建议（如道德责任、个人建议）。

Header 1	be to do结构表示 “必须/应该做”（即表示 命令、指示、义务 或 客观必然性）
1.表示“命令/指示/规定”(Orders & Instructions)	这种用法**通常带有强制性，常见于官方文件、规章制度或上级对下级的指令。** • You are to report to the principal’s office immediately.（你必须立刻去校长办公室报到。）解析：这是明确的命令，相当于 You must report... • No one is to leave the building until further notice.（在接到进一步通知之前，任何人不得离开这栋楼。）解

Header 1	be to do结构表示 “必须/应该做” （即表示 命令、指示、义务 或 客观必然性）
	析：这是硬性规定，强调禁止。 • The form is to be filled out in black ink only.（表格必须只用黑色墨水填写。）解析：这是对操作流程的硬性要求。
2.表示“义务/责任” (Obligation & Duty)	这种用法**强调一种道义上或职责上的“应该”，带有强烈的必然性。** • A man is to protect his family.（男人就应该保护他的家人。）解析：强调社会角色赋予的责任。 • The truth is to be told, no matter how painful it is.（真相必须被说出来，无论它多么令人痛苦。）解析：强调客观道义上的必须。
3.表示“客观必然/命中注定” (Destiny & Inevitability)	这种用法常出现在历史叙述或文学作品中，**表示事情注定会发生，带有一种“不得不”的意味。** • He was to become one of the greatest scientists of his time.（他注定要成为他那个时代最伟大的科学家之一。）解析：描述历史人物的命运轨迹。 • Little did they know that this decision was to change their lives forever.（他们当时不知道，这个决定将彻底改变他们的一生。）解析：表示后来发生的、不可避免的结果。
4.表示“计划/安排” (Plans & Arrangements)	虽然这层意思更偏向“计划”，但在正式语境下，计划往往也带有“必须执行”的意味。 • The delegation is to arrive at 10 a.m. tomorrow.（代表团定于明天上午10点抵达。）解析：这是既定的日程安排，必须遵守。
5.与 should的细微区别	虽然 be to do有时可以翻译为“应该”，但它和 should的侧重点不同： • be to do：侧重于 外部规定、客观安排或必然结果（如命令、计划、命运）。 • should：侧重于 主观建议、道德劝告或个人意见（如“你应该好好学习”）。 例句对比： You are to finish the work by Friday.（这是老板的命令，你必须完成。） You should finish the work by Friday.（这是我给你的建议，你最好完成。）

在你的句子中：

- 使用 were to be taken 说明这是**历史发展的必然**（华人力量崛起，政府必须面对）。
- 如果使用 should be taken，则变成了对政府的**道德劝诫**（政府应该善待华人），这削弱了原文那种“大势所趋、不得不为”的强硬逻辑。

除了表示“注定/必须”，be to do 在不同语境下还有以下含义：

Header 1	中文释义		
计划/安排	按计划将要做	The meeting is to be held tomorrow. (会议定于明天举行。)	强调事先的安排，比 will 更正式。
命令/指示	**必须/应该做**	**You are to finish** this report by Friday. (你必须在周五前完成报告。)	**带有指令性，常见于规章制度。**
可能性	可能/可以	How am I to know? (我怎么会知道？)	常与 how, where, what 等疑问词连用。

► Gemini:

虽然 should be 和 were to be 翻译成中文可能都带有“应当、必须”的意思，但在这种历史叙述的语境下，**were to be 传达了一种“客观必然性”和“既定事实”**的重量感，**而不仅仅是主观建议。**

表达方式	核心逻辑	语感分析
should be	道德或主观上的建议	“政府以后‘应该’重视华人。”（这更像是一种呼吁或期望，不一定真的会发生）。
were to be	**客观现实下的必然结果**	“政府意识到，华人‘注定/必须’被严肃对待。”（这是一种基于力量对比后的现实定论）。

The government realized that /it could no longer **take** workers **for granted** 认为……理所当然；忽视;（因视为当然而）不把…当回事 /and that it needed **to work more closely 与…更紧密地合作 with** leaders of the Chinese community.

Thus, in May 1926 Clementi appointed Chow Shouson as the first Chinese member of the Executive Council.
A strategic move designed to show strikers in Hong Kong and Canton that the government was willing to compromise, the appointment also represented a major shift in local colonial policy.
The important role that Canton had played as a sanctuary for strikers who returned "home" demonstrated to the colonial government that Chinese nationalism could not be taken lightly.
Clementi paid a visit to Canton in 1927, "symbolically inaugurating an era of rapprochement between China and the British colony." 21

这次罢工未能改变香港华人的政治地位, 但它向政府表明, 必须认真对待其华人臣民。政府意识到, 它不能再将工人的意愿视为理所当然, 需要与华人社区的领袖们更紧密地合作。因此, 1926 年 5 月, 金文泰任命周寿顺为行政会议的首位华人议员。这一战略举措旨在向香港和广州的罢工者表明政府愿意妥协, 同时也标志着当地殖民政策的重大转变。广州作为罢工者返回"家园"的避难所所发挥的重要作用, 向殖民政府表明, 不能轻视华人民族主义。1927 年, 金文泰访问广州, "象征性地开启了中国与英国殖民地关系缓和的新时代"。 21

enough of a crisis 的字面意思是："一场足够程度/分量的危机"。

- provoke (v.) *enough of a crisis* to…(引发一场**足够构成**危机的事件/局面，以至于…)

这次罢工， 对香港经济造成了足够大的打击，足以让英国外交部认识到， 有必要向中国做出让步。英国外交部确实这么做了，在1927至1928年放弃了在汉口和九江的租界，并于1930年放弃了威海卫的租界。

Example 33. 案例

Table 1. 我问: 这里, dismissing them as being out of touch with 为什么 be用了 -ing 的形式, 而不是dismissing them as be out of touch with ?

Header 1	Header 2
▶ DeepSeek:	因为 as在这里是介词，而不是连词。 在这个句子中，**as的意思是“作为”或“视为”，它引导的是一个介词短语**，而不是从句。 **介词后面必须接"名词"或"动名词"（即 -ing形式），不能接"动词原形"。** being out of touch 是一个"动名词"短语，它整体充当了介词 as的宾语，相当于一个名词性的概念（即“脱离实际的状态”）。 你可能会想，既然 as后面要接名词，那能不能直接写成 dismissing them as *out of touch*（省略 being）呢？ 答案是：可以省略，而且在实际写作中，省略 being的形式更常见、更简洁。 • 原文写法 (保留 being)：dismissing them as *being out of touch*...这是一种非常正式的书面语表达，强调“处于脱离实际的状态”。 • 常见省略写法：dismissing them as *out of touch*...这里的 out of touch 被视为一个形容词短语，直接跟在 as后面作宾语补足语。这种用法在口语和现代书面语中非常普遍。
▶ ChatGPT:	**dismiss someone as + 名词 / 形容词 / -ing 形式。** 最核心的部分： **dismiss someone as X** **意思是：“把某人斥为 / 认为某人不过是……”** 例如： • **They dismissed the idea as** unrealistic. 他们认为这个想法不现实。 • **He was dismissed as** a fool. 他被当作傻瓜看待。

Header 1	Header 2
	如果 X 是形容词结构，英语通常要补一个 being。 **因为 out of touch 是形容词短语，而不是名词。** **所以结构其实是：as (being) out of touch** 其中 being 是动名词形式的 be。 有意思的是，**在现代英语里 being 有时候可以省略。** **所以这句话其实也可以写成：dismissing them as *out of touch with* broader British goals** **意思完全一样，**而且很多作者会这么写。

Example 34. 案例

Finally, the strike showed how Chinese nationalism could provoke enough of a crisis in Hong Kong to affect British policy toward China.
The strike hurt Hong Kong’s economy enough to convince the Foreign Office of the need to make concessions to China, which it did by surrendering the concessions at Hankou and Jiujiang in 1927–28 and Weihaiwei in 1930.

The Foreign Office became more convinced that working with the Kuomintang was the best way to protect British interests in China.
However, this strained relations among the British consul general at Canton, the British legation in Beijing, and the Hong Kong government, which feared that the others might sacrifice Hong Kong to improve Britain’s political and commercial position in China.
On several occasions during the interwar period, British officials suggested surrendering Hong Kong as a gesture of British goodwill in the face of rising Chinese nationalism, arguing that Britain no longer needed a colony to maintain its trading interests in China.
Exacerbating these tensions was the fact that although the Hong Kong government logically had to deal directly with Canton, the British diplomatic corps was in Beijing and insisted on being the only diplomatic channel for dealing with China.
The Foreign Office often criticized Hong Kong governors for trying to interfere with Canton politics, dismissing them as being out of touch with broader British goals in China and with China’s political situation.

最终, 罢工表明, 中国民族主义如何在香港引发足以影响英国对华政策的危机。罢工重创香港经济, 使英国外交部意识到必须对中国做出让步, 并于1927-28年放弃了汉口和九江租界, 1930年又放弃了威海卫租界。英国外交部更加确信, 与国民党合作是维护英国在华利益的最佳途径。然而, 这导致英国驻广州总领事馆、英国驻北京公使馆和香港特区政府之间的关系紧张, 他们担心其他各方可能会为了提升英国在中国的政治和商业地位而牺牲香港。在两次世界大战期间, 英国官员曾多次建议放弃香港, 以此作为英国在面对日益高涨的中国民族主义时展现善意的姿态, 并辩称英国不再需要殖民地来维持其在华贸易利益。加剧这些紧张局势的是, 尽管香港特区政府理应直接与广州方面交涉, 但英国外交使团却驻扎在北京, 并坚持认为英国是与中国打交道的唯一外交渠道。英国外交部经常批评香港特区长试图干预广州政治, 认为他们脱离了英国在华的总体目标以及中国的政治局势。
